

AGENDA OF ORDINARY MEETING OF YARRIAMBIACK SHIRE COUNCIL TO BE HELD ON WEDNESDAY 25 JANUARY 2017 AT THE MUNICIPAL OFFICE 34 LYLE STREET WARRACKNABEAL AT 9:30AM

1 WELCOME

2 ACKNOWLEDGEMENT

Acknowledging Traditional Owners

'I would like to acknowledge that this meeting is being held on the traditional lands of the Wotjobaluk, Jaadwa, Jadawadjali, Wergaia and Jupagulk people, and I pay respects to their Elders, both past and present'

3 PRAYER

Almighty God, without whom no Council can stand nor anything prosper we ask that you be present and guide us in our deliberations today. We pray that we will be fair in our judgements and wise in our actions and that decisions will be made with goodwill and a clear conscience for the betterment and welfare of the people of Yarriambiack Shire.

Amen

4 PRESENT

Crs G Massey, H Ballentine, T Hamilton, C Heintze, S Roberts, J Wise, Ray Campling (Chief Executive Officer), James Magee (Director Infrastructure & Planning)

5 APOLOGIES

Cr Kylie Zanker, Bernardine Schilling (Executive Assistant)

6 CONFIRMATION OF MINUTES

Special Meeting of Council – 14 December 2016

Closed Session of Council – 14 December 2016

7 DECLARATION OF CONFLICT OF INTEREST

8 BUSINESS ARISING

8.1 Action List from last meeting

8.2 Ongoing and Pending Action List

9 PETITIONS

10 REPORTS

Corporate Reports

- 10.1 Mayor's Report
- 10.2 Councillor's Reports
- 10.3 Chief Executive Officer – Activity Report

- 12 December Consulted with locals regarding Dunlops Rd, Rupanyup
- 14 December Attended Special Council Meeting
- 14 December Attended Murtoa College Presentation Evening
- 17 December Attended Lubeck Community Dinner

YARRIAMBIACK SHIRE COUNCIL

COUNCIL MEETING

AGENDA

25 JANUARY 2017

Cr C Heintze

- | | |
|-------------|--|
| 24 November | Attended YCHANGE at Minyip |
| 25 November | Attended the opening of the Sheep Hills Silo Art project – Artist Matt Adnate |
| 4 December | Attended Rupanyup Nursing Home Christmas Lunch |
| 7 December | Grampians Waste Management and Recycling Group Horsham |
| 7 December | Attended Minyip Progress Meeting |
| 8 December | Visited Murtoa SLAAM and Neighbourhood House |
| 9 December | Attended the Wimmera Southern Mallee Councils – introduction to the Regional Approach |
| 14 December | Attended Special Council Meeting |
| 14 December | Attended Murtoa College Presentation Evening |
| 19 December | Cleaned up and created a ‘Rowan’s Grocery Store 1960’ window at Minyip IGA. Hopefully other windows in empty shops can be cleaned out and themed with whatever their original purpose was. Need people to commit and permission from owners. |
| 12 January | Several Progress members and I spread red wood chips on the new garden beds along Church St, Minyip. Will do garden beds at roundabout once VicRoads has finished upgrading it. |
| 17 January | Submitted my nomination for Grampians Central Waste and Resource Recovery Group Board, with CEO Ray Campling |

YARRIAMBIACK SHIRE COUNCIL

COUNCIL MEETING

AGENDA

25 JANUARY 2017

Cr S Roberts

- 24 November Spoke with Hopetoun Fire Brigade Captain re: New Station
- 25 November Attended Rural Northwest Health Market
- 3 December Attended Circus Oz Warracknabeal
- 4 December Attended Yarriambiack Has Talent
- 7 December Interview with Win News re: Donald, Birchip, Woomelang
- 9 December Attended the Wimmera Southern Mallee Councils – introduction to the Regional Approach
- 11 December Constituent contacted me regarding Bangerang Sheep Hills Rd
- 12 December Met with constituent regarding roads for harvest
- 13 December Ararat Council and EMV rail feasibility
- 14 December Attended Special Council Meeting
- 15 December Attended Hopetoun P-12 Presentation Evening

Cr J Wise

- 9 December Attended the Wimmera Southern Mallee Councils – Introduction to the Regional Approach
- 14 December Attended Special Council Meeting
- 16 December Attended Library Board Meeting – elected Chairman
- 19 December Attended Library Regional – Presented Three Certificates for Years of Service

- Attended Mayor's, Deputy Mayor's and CEO's function hosted by Minister for Local Government in Melbourne
- Attended meeting in Mildura with Councillor Simon Clemence (new chair NWMA) and Win Scott (NWMA secretariat) to officially hand over the position
- Attended WDA meeting in Horsham with the Mayor and Deputy Mayor
- Attended Wimmera CEO's meeting in Horsham
- Attended Wimmera Southern LLEN Finance Committee meeting
- Attended Hopetoun P12 College Award Night with Mayor Massey and Councillors Ballentine and Roberts
- Attended Volunteering Recognition Awards function in Horsham
- Attended Regional Partnership meeting in Horsham
- Met with recently appointed DELWP Grampians Regional Director, Christine Ferguson
- Attended Council Internal Audit Committee meeting
- Attended Woodbine Warrack Warriors morning tea reception hosted by Council
- Attended Essential Services Commission meeting in Melbourne
- Met with Keegan Bartlett, Victorian Electoral Commission – Finalisation of Council Election process
- Met with Richard Baum – Council Plan Workshop
- Participated in the capacity as a Judge at Yarriambiack Has Talent
- Attended the Wimmera Southern Mallee Councils – Introduction to the Regional Approach

10.4 Director Infrastructure & Planning Report – Prepared by James Magee**NBN Planning for Warracknabeal**

Design of the system, which will deliver NBN to the majority of the township of Warracknabeal has commenced. The construction should commence later in 2017. The area of coverage is also under consideration.

Minyip Roundabout

VicRoads have commenced works at the Minyip Roundabout. Works include replacement of crumbling outer kerbing and reconstruction of the central roundabout itself. The hotmix surface will be replaced as well. The central portion of the roundabout will have a semi mountable apron which will allow larger vehicles to turn easier.

Automatic Weather Station (AWS) for Warracknabeal

The newly installed weather station located at the Warracknabeal Aerodrome is operational and live data can be found on the Bureau of Meteorology with observations taken at least every 30 minutes.

Environment – Prepared by Geoff Harvey

- Inspected roads re: Prairie groundcherry on information from DPI
- Inspected roads in Hopetoun area on report of Spiny burrgrass
- Consulted with DPI and Council outdoor staff re: infestation of Mequite in work area
- Financial reports for Yarrilinks
- Inspected trees in Warracknabeal from resident's reports
- Consulted with Ironbark Sustainability re: Climate Change Grant
- Responded to ratepayer requests/complaints

Risk & Safety Report to Council – Prepared by Barry Sullivan

A final skin cancer lecture followed by skin checks were completed on staff for 2016. Overall feedback was very positive with staff requesting the checks annually. Three staff members from Buloke Shire Council joined in to trial the program before they take it on next year. Consideration is being given to make it an annual event and possibly extending the program to include medical checks using the same process. Currently other organisations within the region have both each year.

OH&S Management Plan was developed in corporation with the Community & Economic Development Officer to ensure all safety systems were in place and operating prior to the start of the Sheep Hills Silo Art Project. A further OH&S Management Plan has been developed and is in place for the up and coming Rupanyup Silo Art Project.

A Health & Safety Risk Assessment was conducted on Murtoa's Stick Shed relating to the health and safety of visitors attending the centre with the assessment covering the car park facilities, office entrance facilities and inside the stick shed. Risks and hazards were highlighted at each location and actions were noted to address each risk & hazard. The committee will determine persons responsible to manage each risk within their group. The assessment will be used as a future planning tool to have the Stick Shed up and running as a key tourist destination in Murtoa.

Safety audits are currently being conducted on all of the swimming pools within the Shire. The 2016 -17 Audit has focused around chemical storage and handling, pool structures and surrounds, plant equipment and circulation systems, water and pool amenities, as well as fire and emergency responses. Overall, the pools audited so far have shown that they are well maintained and in good condition. which is a reflection of the dedication and commitment of the individual pool's committees and volunteers that help to keep their pool open for their community and visitors to the area.

A report will be tabled to all swimming pool committees highlighting small improvements to be made to improve health and safety standards. Discussions are being held to improve networking between individual pools so that ideas such as pool maintenance, safety and pool promotion can be shared. A proposed get-together for a day is being considered, which would involve visiting individual pools to look at how the committees and volunteers manage their pool.

I am currently upgrading the Yarriambiack Shire Council's Office Emergency Management Plan for 2017. Changes include reducing the number of Office Wardens from seven to two, with Wardens having the authority to nominate a staff member/s to assist them in the event of an emergency. Investigating and reporting on numerous incidents in January. Six incidents have been reported, investigated and recorded so far this month.

10.5 Capital Works Program 2016/2017 – Prepared by Chris Lehmann

Roads & Streets

- Drainage Works – Beulah & Warracknabeal
- Spraying Summer Weeds
- Sign Replacement
- Aerodrome Works – Hopetoun & Warracknabeal

10.6 Community Services Report – Prepared by Gavin Blinman**Kindergartens**

We are currently in the process of staff replacement at Warracknabeal Kindergarten with our teacher leaving at the end of last year. Advertisements closes on 10 January and we will make a decision once we look at applicants.

We have already replaced our teacher at Rupanyup / Minyip and Anna Kelly will start as our new teacher shortly. We held an interview for this with the Minyip Kindergarten president involved as we try to have community representation on interviews for kindergartens.

We have also replaced an assistant at Hopetoun with a current casual from our staff pool. Kindergarten staff commence back on the 30 January.

We have also discontinued the license for Woomelang Kindergarten, as we will have no enrolments moving forward with no new preschool children at Woomelang.

We will continue to monitor this but in small towns suspension of license due to low numbers occurs periodically and in this case as we did at Tempy a while ago it is unlikely this service will ever operate again.

Environmental Health/ Local Laws – Prepared by Tim Rose, Greg Wilson

Food premises inspections have been conducted leading into the Christmas holidays and no major breaches were identified. Council did not receive any food related complaints or notification of food poisoning cases over the holidays as had happened in previous years. One new food business in Warracknabeal has changed ownership and due to re-open in coming days.

Registration renewals were sent to all food, health and accommodation establishments in late November. All annual registrations under respective legislation expired on the 31 December. Many businesses have renewed for the 2017 year and Council will soon send reminder notices to proprietors who are yet to complete their businesses registration renewal.

Mosquito numbers have subsided in recent times due to many breeding sites evaporating. However, the ecology of mosquitoes and flood waters has presented communities with an increased risk of transmission of mosquito borne conditions and diseases as seen following the 2010/11 floods. Ross River Virus cases in the region have increased over the past 4 weeks. The Department of Health & Human Services have recognised this issue and have provided Council with the opportunity to be reimbursed for all mosquito control program expenditure. This funding will assist Council in controlling potential breeding sites and monitoring existing mosquito populations to determine species and if diseases are currently present.

Council is in the process of ordering control agents and equipment. Council has heavily promoted both the funding announcement and how residents can protect themselves by contributing to newspaper articles, radio interviews and distribution of educational materials. Council conducted BGA monitoring across the municipality over this period. All recreational weir pools and lakes have been inspected and samples obtained to determine overall safety of these waters. Currently awaiting sample results.

Onsite wastewater regulation remains active. A number of applications have been received over the reporting period and Council is processing these requests accordingly. No complaints in this area have been received.

Council conducted interviews for the Local Laws Officer and has offered the position to a suitable applicant. It is anticipated that the position will be filled by mid February. In the interim, Council's ability to respond to matters in this area remains limited.

A number of non-serious complaints have been received and investigations, where possible, have been conducted.

Aged and Disability – Prepared by Lisa Dunkley Home & Community Care (HACC)

All staff in HACC have had Yang Ngalung Maligundij Cultural training by Traditional Owner Joanne Clarke from the Wimmera.

The Training package focuses on gaining an understanding about the five traditional clan groups of the Wimmera Region – Wotjobaluk, Wergaia Jaadwa, Jadawadjali, and Jupagulk people.

The aim was to have strategies that are culturally appropriate when staff are working with Traditional Owners and transient community members. All staff attended and were amazed by the stories told by Traditional Owner Joanne Clarke. We hope to have her back in the near future.

In December we arranged for Memory Strategies Groups in Hopetoun and Minyip to combine one session here in Warracknabeal.

Buses were organised, to bring them together to listen to Dementia spokesperson, Kay Miller from Ballarat.

In the next month all staff will be updated in medication and First aid.

Through out the year we will be focusing training in Dementia with staff so they are aware of what to look for and ways to handle certain situations when they arise .

Assessment Officer Report May 2016 – Prepared by Bronwen Clayton

New Referrals received for living at home assessments (total 14)

- 13 from My Aged Care
- 1 from WWHS Physiotherapy (under 65)

From these referrals: 11 home assessments were completed and 3 were cancelled by the client.

A lot of time spent coordinating assessments and client services over the Christmas/New Year period.

- Attended monthly Wimmera Partnership meeting in Horsham – will continue with these in 2017 as feel networking and support is paramount moving through transition and continued navigation of My Aged Care process.
- Both Assessment officers attended video link in Horsham for Melbourne forum about RAS link, My Aged Care and transition – found it helpful to attend with others from the region

Volunteer Meals and Transport – Prepared by Alannah Milne

Transport

For the month of December 2016 shire completed 11 drives and had 1 cancellation. This month elderly were mainly accessing services in Horsham

The table below is a comparison over the last two years.

December 2016	11 drives, 1 cancellation
December 2015	13 drives, 0 cancellations

Meals on Wheels

December 2016	662 Meals
December 2015	1,008 Meals

This will be Alannah's last report before going on maternity leave, we recently advertised and interviewed to fill this role for the next 12 months, Elizabeth Wright will start on 6 February.

Maternal and Child Health (MCH) – Prepared by Nanette Freckleton and Michelle Schilling

Birth Notifications = 30 year to date

Enrolments = 41 year to date

Immunisations Oct - Dec quarter = 234

Youth Report – Prepared by Murray McKenzie

- Yarriambiack Has Talent appears to have been successful again this year, a video clip on Facebook of the winner has attracted more than 1300 views.
- Attended Murtoa College Presentation night 14 December
- A Skate Park League event will be held on 4 February and is part of the state competition so should attract a good crowd and competitors in Warracknabeal
- A Youth Music event will be held on 5 February at the Creekside Hotel, Warracknabeal

SHARE Program 'Sustainable Healthy Adaptable Resilient Engaged' – Prepared by Marianne Ferguson**Silo Art Trail**

Russian Artist Julia Vochkova is expected to begin painting the Rupanyup silos in March. The Silo Art Trail website is now live, go to www.siloarttrail.com. The website will develop over time and provide information for Silo Art Trail visitors. The Silo Art Trail Facebook Page currently has 5485 'Likes' 2,797 'Followers'.

SHARE Community Grants

The SHARE Community Grants opened on 13 January and close on 24 February. Community groups can apply for a maximum of \$3000 with the total pool available of \$20,000. Eligible projects may include small equipment, events, projects that support shared facilities/equipment, seed funding for larger projects and projects that encourage visitors and tourism to the region.

Wimmera Mallee Tourism

Wimmera Mallee Tourism has reprinted the Free Camping brochure and are currently distributing to relevant tourism information outlets. Wimmera Mallee Tourism is also researching drone equipment to assist with marketing tourism destinations in the area.

Woomelang Shopping Precinct Upgrade

The snake mural on the Cafe wall is now complete and features a Victorian Carpet Python. The mural was installed by artist Andrew Burke. The amenities have been delivered and have been installed. The shelter is expected to be completed in late January.

Yarriambiack Tourism

The Yarriambiack Tourism Facebook Page currently has 2,001 'Likes'. The increase of 'Likes' is due to the very popular Silo Art Trail posts. The Yarriambiack Touring Guide is currently being updated.

10.7 Infrastructure Services Report – Prepared by Bernie Naylor**1. Contract C212/2016 Supply and Delivery of One (1) Grader**

Council advertised contract C212/2016 being the Supply and Delivery of One (1) Grader for the Southern Works Area on the 16 November, 2016 through Tenderlink.

Tenders for the above mentioned contract closed at 2.00 pm on Monday the 12 December, 2017.

Submissions for the tender will be evaluated by Council at the January 2017 meeting.

2. Beulah Memorial Swimming Pool

In association with the Beulah Swimming Pool Committee, Council has prepared an application for funding under the Community Infrastructure Fund in relation to heating the Beulah Swimming Pool and extend the period that it can be used from around three months to possibly 6 months.

The cost of the project is \$49,000 which I have allocated an amount of \$5,000 in Council's 2016-2017 budget as a contribution towards the project.

I am pleased to advise Council that this application for \$32,800 in funding has been successful with the project works commencing in July 2017.

3. Contract C214/2017 - Minor patching including stabilisation and sealing of existing road pavement material

Council has advertised contract C214/2017 being Minor patching including stabilisation and sealing of existing road pavement material –

General Stabilisation Works (1943 m²), Flood Stabilisation Works (2441 m²)

Tenders close on Friday 27 January, 2017 for the abovementioned contract.

4. Grain Bags

Currently working with the Grampians Central West Waste and Resource Recovery Group regarding the possibility of recycling grain bags.

Due to the size of this years harvest and the amount of grain that is being stored on farm in these grains bags, there will be a need to deal with the bags when grain is emptied.

The Group are investigating a process in which Council can accept the bags, store them and then have them collected for recycling.

Technical Officer - Prepared by Nathan McLean

A contractor is currently undertaking a project to construct a walking track and car parking area at the Patchewollock Heritage Railway Station.

The project involves constructing a gravel parking area and walking track around the historic Patchewollock Heritage Railway Station along with landscaping and interpretive signage.

This would provide improved access and parking to the Patchewollock Heritage Railway Station and Mallee Fowl Sculptures for locals and visitors to the region.

OH&S Officer – Prepared by Bob Taylor

- SWMS - I am upgrading the Safe Work Method Statements. We have SWMS for every job the staff do, the SWMS describes the job steps/potential hazards and how to manage the hazard before doing the job
- Training Register - I am updating the outdoor staff training register to see what refreshers and training staff need for 2017
- CCTV - I have been working with the police on the criminal damage in Warracknabeal and Minyip, the cameras we have in place are helping catch the people responsible

Design Engineer – Joel Turner

- Dunmunkle creek culvert replacement tender was awarded to Wilmore Contractors - and will commence construction Feb 2017
- Kerbing contract was also awarded to Wilmore Contractors and will commence at the end of February
- Footpath works will be completed by WestVic Concreters and Warrack Concrete
- Glenorchy Rd was set out and designs handed over to NGSC to complete the construction
- Donald Laen Rd works will commence this week.
- Open drains are being improved in Beulah

Technical Officer – Tony Brennan

- Electrical upgrade works completed at Hopetoun Caravan Park
- Busy times continue for our three major caravan parks during November which is great for the towns/businesses within the Shire (refer to table below)
- Attended a meeting with V-Line regarding flooding issues at the Hopetoun silo yard due to a collapsed culvert under the rail line
- Met with **Civil Aviation Safety Authority** auditors re: the upcoming Hopetoun Aerodrome Surveillance Inspection
- Update all Star Rating certificates for Warracknabeal, Hopetoun and Murtoa Caravan Parks
- Continue with monitoring and processing of **Dial Before You Dig**, **Road Reserve Work Permit**, **Asset Protection Permit**, **Storm Water Discharge Point** and **Road Manager Consent** requests

Warracknabeal Regional Livestock Exchange

- 2015/2016 financial year sale figures. Total Sold = 113,714 Head
- 2016/2017 financial year sale figures. Total Sold = 44,916 Head (9 Sales)
- Job application advertisement for new Caretaker/Maintenance employee for Livestock Exchange to close on January 20.

Carry out a complete review, amendment and update to all **National Saleyard Quality Assurance** manuals to reflect any changes to current standards and regulations, staff and operational procedures

Caravan Park Occupancy November 2016

11 REPORTS FOR DECISION

11.1 Finance Report – Prepared by Anita McFarlane

Recommendation

The Finance Report as at December 2016 be received.

11.2 Revenue Report – Prepared by Chantelle Pitt

Recommendation

The Revenue Report as at January 2017 be received.

11.3 Lease from Yarriambiack Shire to Telstra Corporation with premises being at McIntyres Road, Rupanyup – Prepared by James Magee

Council have leased a small portion of Council land at the south end of the Rupanyup Works Depot to Telstra for the purpose of a mobile phone tower since 1 Feb 2000. Telstra have proposed a renewal and variation of the lease, the varied lease term will commence 1 February 2015 and be for a period of five years.

The variations relate to terms within the lease and treatment of GST.

Recommendation

That Council sign and seal the Deed for variation of the abovementioned lease

11.4 Amended Land Lease Patchewollock – Prepared by Gavin Blinman

VicTrack and Yarriambiack Shire Council have recently negotiated a new lease for the Patchewollock Railway Station and surrounding area. Council signed off at the previous meeting, however, VicTrack noticed a few errors at their end and have altered costs as this is the land only lease.

Council has added the additional area for the new walking track and also the silo recently added to the art trail. The railway station area is already used by the community.

The annual cost is \$250.

Recommendation:

That Council signs the new lease for five years.

12 GENERAL BUSINESS (including strategic direction and specific issues)
