#### **Shared Services**

Supply of Building Surveyor Services was advertised early May. Yarriambiack along with Horsham, Southern Grampians, West Wimmera and Hindmarsh Shires are tendering for one contractor to undertake the work for a three year term with a two year extension. Tenders close 23 May 2018.

Managers of the various shires in the Shared Services group have been attending meetings to discuss what opportunities are available to provide services that cover more than one Council. The following categories were examined:

- Regulatory Services
- Finance
- Infrastructure Department
- Governance
- Community Strengthening
- Strategic Planning

A report detailing the findings of the workshops will be delivered during the next month.

#### **State Budget**

There have been some positive announcements in the State Budget for Yarriambiack Shire however much of the detail is yet to be released. Some of the announcements I will be following up with interest include:

- \$100 million for upgrading of Council roads across the state
- \$20 million for rural council transformation, a grants program to help rural councils across Victoria improve their financial viability;
- The announcement of a grants program for community infrastructure called “Pick My Project”

#### **Rural Outreach Program**

Yarriambiack Shire has joined with the West Wimmera Shire and Hindmarsh Shire to seek additional mental health services in our region. The Councils have been meeting with health providers in the region to see what opportunities are available to expand the service. The parties agree that there is a demonstrated need in our region. Funding opportunities are being examined.

#### **Greenhouse Reduction Plan and Inventory**

Sustainability Victoria has funded a consultant, Ironbark Sustainability, to undertake an audit of Councils energy usage and look at opportunities for its reduction. The following categories were examined:

- Street lighting
- Open space lighting
- Fleet
- Buildings and facilities
- Waste

COUNCIL MEETING

AGENDA

23 MAY 2018

State government funding is available on a dollar for dollar basis to implement initiative identified in the study should Council decide to do so. An application for funding to upgrade the lighting in the Council Office, library, technical services building and leisure centre is currently being developed.

**10.5 Community Services Report – Prepared by Gavin Blinman****Kindergartens**

We have applied with our Parent Advisory Groups at Warracknabeal, Minyip and Rupanyup for DET funding in the latest round of facility grants to improve inclusiveness of our playgrounds. We have also applied under the IT grant round for a notebook to improve administration and introduce central enrolment.

As from term 4 we will also be collecting fees for three year old children across the Shire. We have already been collecting four year old fees since last year. This is inline with the new Early Years Management Framework.

Our teacher at Minyip / Rupanyup has been replaced during her maternity leave following an interview involving the Minyip / Rupanyup PAG Executive. Lynne Bourke Elliot will be our teacher during the next 12 months.

Long serving staff member Narelle Gibson at Beulah was farewelled by the PAG, kinder community and school at Beulah; we wish Narelle good luck in her new venture. Camille our assistant at Hopetoun will take on the extra day at Beulah.

Landscaping at Murtoa has been completed, Darren Winsall will now repair the fence and the area will be accessible again for the children.

**Environmental Health / Local Laws – Prepared by Tim Rose & Craig Byron**

Tim is on leave. We have had support from Horsham EHO as per our shared service arrangement to cover leave.

Have had 13 dogs impounded; out of these dogs two were surrendered and one has since been adopted, all other dogs were reclaimed. Council had four cats impounded; three of these have been reclaimed and one has gone to rescue.

Illegal dumping of rubbish was reported at Lascelles. Investigation found a lot of plastic garden pots, plastic bags, cardboard boxes etc. Council was able to find a person's name on some of the boxes, and make contact with them. Offender informed that the rubbish heap was a "community bonfire site" and that other people had used it to dump rubbish. The person was asked to remove all the plastic items and building materials, and dispose of correctly at a Shire Tip. This has since been done.

Have had quite a few barking dog complaints; these have been followed up on, with the complainants asked to keep a diary and the owner of the dogs asked to reduce the barking.

A property on the edge of Minyip was reported to have a lot of junk piled up against a shipping container, which had become an eyesore and a fire hazard. After contacting the owner, this property has since been cleaned up.

**Aged and Disability – Lisa Dunkley****CHSP/VIC HACCPYP**

Lisa is currently on leave.

**Volunteer Meals and Transport – Alannah Milne****Transport**

For the month of April 2018 the Shire completed eight drives and had Nil cancellations. This month elderly were mainly accessing services in Horsham.

The table below is a comparison over the last two years.

April 2018	8 drives, 0 cancellation
April 2017	10 drives, 1 cancellation
April 2016	13 drives, 2 cancellations

**Meals on Wheels**

April 2018	793 Meals
April 2017	523 Meals
April 2016	773 Meals

MOW services for Beulah, Rupanyup and Minyip are still suspended due to lack of numbers and not enough interest to start back up. Numbers are decreasing in Woomelang as we are down to two clients.

We have sent out CBM and MOW surveys to all clients receiving a meal and we have had an excellent amount returned which will be summarised and results will be available next Council report.

**Maternal and Child Health (MCHN) – Michelle Schilling**

- This month was a very quiet month, only three births in April
- Casual reliever MCH Nurse ceased in north. A new reliever has commenced, one day per week in Murtoa. Michelle is covering the rest of the Shire
- Completed Secondary College catch up immunisations – next round due in October
- Michelle commenced a lactation course
- The Playgroup Facilitator has commenced and is currently in Melbourne attending a compulsory DET training course for three days called Smart talk; this will be rolled out across the Shire for playgroups and in home support families.

**Assessment Officer Report – Barbara Whiteford****Assessments Completed**

- 10

**Reviews Completed**

- 7

**Education and Training**

- Visit to RNH to meet Community Services Team 4/4/2018
- RAS Coordinator Visit 5/4/2018
- Assessors attended Grampians Support Plan Training @ Ararat 26/4/2018

**Meetings**

- Wimmera Partnership Network Meeting @ Horsham 3/4/2018
- YSC & RNH Shared Care Meeting @ RNH 17/4/2018

**Youth – Murray McKenzie**

Interviews were carried out with four of the new Yarriambiack Youth Action Councillors this week, with Councillor Kylie Zanker conducting them with the assistance of Bernardine Schilling (Governance & Customer Service Coordinator).

The FReeZA Grant Applications were released on 7 May with Yarriambiack looking to build on its first three years of funding and seek the full \$73,500 available over the next three years 2019-2021.

The finalisation of the Graffiti Prevention Project took place with the protective Epoxy Resin Paint applied to the "Skate City" Graffiti Mural. Mayor Graeme Massey opened the finished project on 21 April. This coating is very expensive but will allow the mural to be cleaned very easily for years to come.

Some exciting news, with the Thrive Not Survive Yarriambiack, Engage Program, taking shape with plans for a Barista Course in the coming weeks! We are also hoping for some movement on the Youth Shed situation in the next month or so and the Spray painting workshops which were postponed four weeks.

A meeting at Warracknabeal College to tackle some of the student disengagement issues with the school and community took place on Wednesday, 9 May 2018 and the most recent YYAC meeting took place on 16 May 2018.

**Southern Mallee Tourism Collaboration and Destination Management Plan project**

Urban Enterprise, planning and tourism consultants, have recently been commissioned by the Wimmera Development Association on behalf of the Wimmera Southern Mallee Regional Partnership to undertake consultation to inform the development of a Tourism Collaboration and Destination Management Plan for the Wimmera Southern Mallee region.

The Tourism Collaboration and Destination Management Plan will determine the most appropriate and viable tourism governance model and structure for the region, supporting industry development, product development and coordinated regional marketing. Consultation with industry representatives and communities will take place over the coming months.

**Silo Art Trail**

The Beulah Business and Information Centre are coordinating promotional items and opportunities to develop further merchandising. Juddy Roller is assisting the development of the merchandising by coordinating the relevant approvals from the artists.

**Warracknabeal Court House**

A community meeting was held on April 23 and provided an opportunity for the community and stakeholders to discuss the proposed rejuvenation of the Court House into an arts precinct and a small art hotel. The next stage application to the Creative State Commissions program has been submitted.

**Yarriambiack Tourism**

There is currently a significant demand for local brochures and the committee continues to update the information as required. The Yarriambiack Tourism Facebook Page currently has 2,249 likes

## **10.6 Acting Director Infrastructure & Planning Report – Prepared by Bernie Naylor**

### **Free Green Waste Day**

Council will once again be conducting our annual Free Green Waste disposal days.

Following the success of the program in May and October 2017, Council has decided to conduct the free disposal over the period from the 29<sup>th</sup> May, 2018 to the 3<sup>rd</sup> June, 2018 during the Transfer Stations normal hours of operation.

Extending the collection period was very well received by the rate payers and residents, all transfer stations were kept very busy and it also enables the elderly to make arrangements to have their Green Waste removed from their properties over a longer period.

### **Safe Driving policy**

Over the last couple of months, Council has been discussing with both the Consultative Committee and the O H & S Committee, ways in which we can improve safety when using Council vehicles and equipment.

Following these discussions and the approval by these two committees, Council has now updated our Safe Driving Policy to include the following clause:-

### **Safe Driving Policy Clause**

#### **ADVISORY SPEED LIMITS ON EARTHEN AND GRAVEL ROADS**

- It is recommended that Employees, Councillors and Volunteers when using Council vehicles and equipment on earthen or gravel roads **DO NOT** exceed a speed of 80kmh.
- Staff should always drive to both the road and weather conditions.

### **2018/2019 Community Sports Infrastructure Fund – Murtoa Swimming Pool**

Council has now received the Victorian Funding Agreement from the Department of Health and Human Resources for the Upgrade to the changeroom facilities at the Murtoa swimming Pool, this agreement will now be signed by Council.

Council can now proceed to finalise the design and prepare the tender documents for the project.

The value of the project is approx \$370,000, it is anticipated works will commence later in the year.

### **Murtoa Streetscape Project**

The Murtoa Progress Association has approached Council regarding a proposal to undertake a Streetscape project in McDonald St, Murtoa.

The Committee have submitted information regarding stage one as detailed below:-

**Location:- McDonald Street north from Marma Street to Breen Street.**

**Choice:-** Both East & West sides - One variety of ornamental deciduous planted within the nature strip/footpath.

**Location:- McDonald Street north from Breen Street to Degenhardt Street.**

**Choice:-**East side - One variety of ornamental deciduous planted within nature strip /footpath.

West side – Retain existing gum trees.

**Location:- McDonald Street north from Degenhardt Street to Comyn Street.**

**Choice:-**Both East & West sides - One variety of ornamental deciduous planted within the nature strip/ footpath.

**The Stage One project would require approximately 60 ornamental trees. Streetscape plans would be on public display to inform the local community and the main street businesses. Removal** -There are a number of trees and shrubs in the area defined that will require removal before this streetscape planting can be implemented.

I met with representatives of the committee on Thursday, 3<sup>rd</sup> May requesting that a detailed plan be prepared with an information sheet.

Council will then provide this information to all residents and businesses in McDonald St seeking their comments.

Following this consultation, I will meet with the committee once again to discuss the feedback that has been received and move the project forward.

**Environment – Prepared by Geoff Harvey**

**Technical Officer – Prepared by Nathan McLean**

Assisting the Asset Engineer with validating footpath data to enable a report to be completed for finance audit. Asset Finda software requires populating data across all of our asset fields and the inventory status of our infrastructure and assets.

**Design Engineer – Prepared by Joel Turner**

- Current road rehabilitation jobs are underway
  - Goyura East School Bus Route Road 75% complete
  - Sheep Hills Kellalac Road Complete
- First levee job on Asquith Avenue, Warracknabeal ready to begin in the coming weeks
- Munro Street drainage job complete and working well

**OH&S Report – Prepared by Bobby Taylor**

- **First Aid Kits**

We have commenced updating the outdoor staff first aid kits; Hopetoun is finished, the southern area is underway and Warracknabeal will be completed last
- **Safe Work Method Statements (SWMS)**

I have been making new SWMS for outdoor works plus updating the old SWMS
- **Security Cameras**

I have checked all the cameras that are installed within the shire. Damage to Shire property has dropped right off since the cameras have been put up; the Lion's Park and public toilets in Warracknabeal are the main ones. I have a list of all installed cameras in the Shire including all Works Depots: Minyip, Murtoa, Rupanyup, Warracknabeal, Mechanics, Hopetoun new and old Depots, Warracknabeal Town Hall, Lions Park, Shire Office, Leisure Centre, Tech Services Office, Dog Pound, Kindergarten and the Tourist Centre.

**Risk Management & OH&S / Technical Services – Prepared by Michael Evans****Assets**

- Continuing to validate asset register data in the new computer system (AssetFinda)
- Reviewed Councils gravel re-sheet cartage rates, units rates and methodology. Started to review Councils finished job costs to determine future unit rates for the Capital Works programs
- Commenced to prepare information for submitting the yearly Valuation report for the finance auditors. This process involves inputting all finished Capital works into our Asset registers, updating Councils registers with the latest asset conditions stemming from inspection regimes and carrying out a revaluation of Councils asset replacement unit rates.
- Attended the Engineering/Asset management side of a training course (Day 2) on unsealed roads in Horsham

**OH&S and Risk Management**

- Fulfilled the role of OH&S Risk Management Officer as required
- Investigated several logged incidents within Council

**Emergency Management**

- Attended the Murra Warra Wind Farm Emergency Management meeting in Horsham
- Attended a mass casualty Incident training exercise in Ballarat at the Ballarat Base hospital
- Attended a combined Council (West Wimmera, Horsham Hindmarsh & Yarriambiack) Emergency Management meeting in Dimboola on Animal Welfare called Exercise Orwell;

The aim of Exercise Orwell was to, in a severe storm incident, measure the current understanding and application of the Partner Councils' Animal Welfare Support Plan by Partner Council staff when there is an impact to domestic livestock, companion animals and wildlife across two or more council areas.

**Technical Officer – Prepared by Tony Brennan**

- Processed as required 'Dial Before You Dig' enquiries: April (70) May (30 – to date)
- Processed Legal Point Of Discharge applications for stormwater drainage as required
- Processed NHVR applications as requested for oversize vehicle travel through the Shire
- Carried out Road Management Act inspections for reinstatement issues from works carried out by GWM Water
- Completed Safety finding notices for previous CASA Audit at the Warracknabeal Aerodrome
- Applied for and received an extension for one CASA safety notice (to the end of May) for the painting of thresholds and centre line on runway 08/26

**Warracknabeal Regional Livestock Exchange**

On the sale held May 9<sup>th</sup> another IT failure (not linked to the previous sale on April 11<sup>th</sup>) and completely unforeseen, caused more issues for all concerned. Fortunately, we were able to reconfigure all hardware to "hotspot" through the mobile phone system which allowed the sale data to be collected and eventually uploaded to the NLIS data base at the end of the day. Once again, we were indebted to Alec and Stewart from LE Pty Ltd who were brilliant with their IT knowledge in providing a plan "B" to complete the sale.

However, these problems have provided unexpected positives e.g. we now have a way (PLAN B) to conduct the sale should any of these IT issues occur in the future. It has also provided all users with more time to become familiar with the hardware being used, and as a result they are asking questions and making requests to Alec and Stewart on what they would like the software to do when scanning, penning and booking the sale. In turn the software can be altered where possible to suit those working with it pre and post sale.

The next sale will be held on May 23<sup>rd</sup> and we are very hopeful that all previous issues will be sorted and the sale can be held without any further IT problems.

## **11 REPORTS FOR DECISION**

### **11.1 Finance Report – Prepared by Anita McFarlane**

#### **Recommendation**

The Finance Report as at April 2018 be received.

### **11.2 Revenue Report – Prepared by Chantelle Pitt**

#### **Recommendation**

The Revenue Report as at May 2018 be received.

### **11.3 Proposed Annual Budget 2018/2019 – prepared by Anita McFarlane**

The proposed Annual Budget 2018/19 has been prepared in consultation with Council and Management and is presented for approval to give public notice in accordance with Section 129 of the *Local Government Act 1989* (the Act).

The proposed Annual Budget 2018/19 document provides full details of the resources required to deliver the services and initiatives identified in the Council Plan.

A number of financial reports have been developed outlining expected income and expenditure for all areas of Council in 2018/19, and comparing these to the forecast actual results for 2017/18.

The proposed increase in rate revenue for the 2018/19 financial year is 2.25% in line with the order by the Minister for Local Government under the Fair Go Rates System.

The Budget has been structured to maintain existing service levels, deliver grant subsidised projects aimed at promoting liveability and sustainability within the municipality and provides a contribution towards the renewal of Council's infrastructure.

#### **Recommendation**

That Council:

1. Accept that the proposed Annual Budget 2018/19, as presented, be the proposed Budget prepared by Council for the purposes of the *Local Government Act 1989* and the Local Government (Planning and Reporting) Regulations 2014.
2. Authorise the Acting Chief Executive Officer to give public notice of the preparation of the proposed Annual Budget 2018/19 in accordance with Section 129 of the *Local Government Act 1989*, noting the dates for public notice are from Wednesday 23<sup>rd</sup> May, 2018 to Wednesday 20<sup>th</sup> June, 2018.
3. Agree that subject to changes to the proposed Annual Budget 2018/19 after consideration of all submissions, the proposed Annual Budget 2018/19 will be presented for adoption as Council's Annual Budget 2018/19, in accordance with Section 130(1) of the *Local Government Act 1989*, at the Ordinary Council Meeting to be held on Wednesday 27<sup>th</sup> June at 9.30am in the Council Chambers, 34 Lyle Street, Warracknabeal.

**11.4 Remote Airstrip Upgrade – Prepared by James Magee**

Council has been successful in obtaining funding for the upgrade of the Hopetoun Aerodrome under the Australian Governments Regional Aviation Access Programme. An amount of \$250,000 is available for the regulation and surfacing of the sealed runway. The works are due to be completed by 30 June 2019.

**Recommendation**

That Council Sign and Seal the Deed of Agreement with the Australian Government for the upgrade of the Hopetoun Aerodrome.
