ANIMAL REGISTRATIONS

All domestic cats and dogs over three months of age must be registered with Council annually by 10th April. By registering your animals you can ensure their protection and can help reduce community nuisance caused by stray and feral animals.

Responsible pet ownership not only means caring for the health and welfare of your dog or cat, responsible pet ownership also provides;

1. Registration of your dog or cat and ensuring the Council identification tag is worn.
2. Desexing your animal to reduce the tendency to mark and prevent unwanted young or aggressive behaviour.
3. Confining your animal at night to reduce nuisance caused to neighbours and to protect the animal.
4. Effectively containing your animal within your property at all times by adequate fencing or an animal enclosure.
5. Effectively restrain your animal in public places. Dogs must be restrained whilst on the back of utes.

Every pet owner has a responsibility to ensure their animal does not attack, bite, rush at, worry or chase any person or animal.
