PERFORMANCE REPORTING FRAMEWORK

1. PURPOSE

The purpose of this framework is to document the process and structure for Council reporting financial and non financial performance indicators on a periodic basis to meet legislative reporting requirements.

2. OBJECTIVES

In developing and implementing a performance reporting framework, Council objectives include:

- Complying with current legislation
- Encouraging and maintaining accountability and transparency to the community
- Driving continuous improvement across the organisation
- Maintaining stakeholder confidence in our financial and non-financial decision making

3. LEGISLATIVE CONTEXT

Reporting requirements are associated with the Local Government Act 2020, Local Government (Planning and Reporting) Regulations 2021 and the Freedom of Information Act 1982.

The planning and accountability framework is described pictorially as below:

3.1 COUNCIL VISION

A Council must maintain a Community Vision that is developed with its municipal community in accordance with its deliberative engagement practices, as outlined in Council's Community Engagement Policy.

The scope of the vision is for a period of at least the next 10 years.

3.2 STRATEGIC PLANNING PRINCIPLES

The following Strategic Planning Principles apply:

- a) Integrated approach to planning, monitoring and performance reporting is to be adopted.
- b) Strategic planning must address the Community Vision.
- c) Strategic planning must take into account the resources needed for effective implementation.
- d) Strategic planning must identify and address the risks to effective implementation.
- e) Strategic planning must provide for ongoing monitoring of progress and regular reviews to identify and address changing circumstances.

3.3 COUNCIL PLAN

In accordance with Section 90 of the Local Government Act 2020, a Council must prepare and adopt a Council Plan for a period of at least the next 4 financial years after a general election in accordance with its deliberative engagement practices.

A Council must develop or review the Council Plan in accordance with its deliberative engagement practices and adopt the Council Plan by 31 October in the year following a general election.

The Council Plan adopted under subsection (3) has effect from 1 July in the year following a general election.

In accordance with the Local Government (Planning and Reporting) Regulations 2021, Councils must review their performance against the Council Plan, including the results in relation to the strategic indicators, for the first six months of the financial year.

A Council Plan outlines the strategic priorities, objectives and strategies Council will pursue over the four year period.

The Yarriambiack Shire Council Plan sets the following strategic priorities and what our Community said was important:

1.	A Vibrant and Diversified Economy	<ul style="list-style-type: none"> • Proactively communicate and advocate to Government bodies, to delivery positive tourism outcomes for our community, capitalising on opportunities as they arise. • Advocate and support economic development and investment in our region. • Support, encourage and advocate for the diversification of our economic opportunities across the Shire, and broader region. • Plan for and support diverse housing options to meet community needs now and into the future. • Advocate for continued and enhanced funding to enable strategic investment in our roads, footpaths, and associated assets to support tourism, economic development and social inclusion and connection across our Shire. • Understand, support and advocate for services and associated skilled workforces to unlock economic and community development opportunities across our Shire.
2.	A Healthy and Inclusive Community	<ul style="list-style-type: none"> • Develop partnerships to deliver services and/or provide opportunities to enhance the social health and wellbeing outcomes of our residents. • Support infrastructure investment that promotes an inclusive and socially connected community to enhance liveability. • Advocate for funding to provide opportunities to support our aged community to reside and remain connected within our community. • Develop master plans and strategies to empower our community to make wise investment decisions for the long-term prosperity of their township and the broader Shire.
3.	A Robust and Thriving Environment	<ul style="list-style-type: none"> • Embed climate change action into everything we do with a focus on decreased emissions, heat reduction and emergency management preparedness. • Strategically support the implementation of the State Government's circular economy policy by providing innovative solutions that meet the specific requirements of our community. • Elevate community education and positive engagement experience as a key priority while performing regulatory functions.
4.	A Council Who Serves Its Community	<ul style="list-style-type: none"> • Embed good governance practices into all decision making. • Build trust through engaging with our community, delivering quality services and outcomes. • Undertake robust and transparent planning to ensure our organisation is sustainable now and into the future. • Consider a broad base of evidence before making decisions, ensuring value for money and responsive, innovative services and solutions are provided.

3.4 ANNUAL REPORT

In accordance with Section 98 and 99 of the Local Government Act 2020, a Council must prepare an annual report in respect of each financial year.

An annual report must contain the following -

- a) A report of operations of the Council.
- b) An audited performance statement.
- c) Audited financial statements.
- d) A copy of the auditor's report on the performance statement.
- e) A copy of the auditor's report on the financial statements under Part 3 of the Audit Act 1994.
- f) Any other matters prescribed by the regulations.

A Council meeting open to the public must be held to consider the annual report. This must occur;

- a) In the year of a general election, on a day not later than the day before election day; or
- b) In any other year, within four months of the end of the financial year.

Report of Operations (section 98 (3))

The report of operations of the Council must contain the following:

- a) Statement of progress on implementation of the Council Plan, which includes the results of the strategic indicators.
- b) A statement of progress in relation to the major initiatives identified in the budget or a revised budget.
- c) The prescribed indicators of service performance for the services provided by the Council and funded in the budget during the financial year, the prescribed measures relating to those indicators and the results achieved in relation to those performance indicators and measures.
- d) Any other information prescribed by the regulations.

Performance Statement (Section 98 (4))

The Performance statement in the Annual Report must contain the following:

- a) The prescribed indicators of service performance for the services provided by the Council and funded in the budget for the financial year, the prescribed measures relating to those indicators and the results achieved in relation to those performance indicators and measures;
- b) the prescribed indicators of financial performance, the prescribed measures relating to those indicators and the results achieved in relation to those performance indicators and measures;
- c) the prescribed indicators of sustainable capacity performance, the prescribed measures relating to those indicators and the results achieved in relation to those performance indicators and measures;
- d) any other information prescribed by the regulations.

Financial Statements (Section 98 (5))

The financial statements must;

- a) Include any other information prescribed by the regulations; and
- b) Be prepared in accordance with the regulations.

3.5 LOCAL GOVERNMENT PERFORMANCE REPORTING FRAMEWORK

The Victorian Government established the LGPRF in 2014 to ensure all councils are measuring and reporting on their performance in a consistent way.

The primary objective of the LGPRF is to provide comprehensive performance information that meets the needs of a number of audiences. In meeting this objective:

- Councils will have information to support strategic decision-making and continuous improvement
- Communities will have information about council performance and productivity
- Regulators will have information to monitor compliance with relevant reporting requirements
- State and Federal Governments will be better informed to make decisions that ensure an effective, efficient and sustainable system of Local Government.

Data is compiled by relevant responsible officers under the supervision of the Manager Corporate Services. LGPRF results are provided to the Department Government Services and available for community viewing on the Know Your Council website www.knowyourcouncil.vic.gov.au.

The Report of Operations, included as part of the Local Government Performance Reporting Framework includes A Report of Operations and Performance Statement.

The Report of Operations includes indicators for measurement as defined by the Victorian Government in the following categories:

Aquatic Facilities	Animal Management	Food Safety
Governance	Libraries	Maternal Child and Health
Roads	Statutory Planning	Waste Collection
Sustainable Capacity Indicators	Financial Performance Indicators	

The Performance Statement includes financial performance measures that are incorporated into Council's Financial and Non-Financial Quarterly report The Performance Statement is also completed annually as part of Council's Annual Reporting requirements.

3.6 BUDGET

In accordance with Section 94 of the Local Government Act 2020, a council must prepare and adopt a budget for each financial year and the subsequent three financial years by:

- a) 30 June each year, or
- b) Any other date fixed by the Minister by notice published in the Government Gazette.

A Council must ensure that the budget gives effect to the Council Plan and contains the following—

- a) Financial statements in the form and containing the information required by the regulations;
- b) A general description of the services and initiatives to be funded in the budget;
- c) Major initiatives identified by the Council as priorities in the Council Plan, to be undertaken during each financial year;
- d) For services to be funded in the budget, the prescribed indicators and measures of service performance that are required to be reported against by this Act;
- e) The total amount that the Council intends to raise by rates and charges;
- f) A statement as to whether the rates will be raised by the application of a uniform rate or a differential rate;
- g) A description of any fixed component of the rates, if applicable;
- h) If the Council proposes to declare a uniform rate, the matters specified in section 160 of the Local Government Act 1989;
- i) If the Council proposes to declare a differential rate for any land, the matters specified in section 161(2) of the Local Government Act 1989;
- j) Any other information prescribed by the regulations.

The Council must ensure that, if applicable, the budget also contains a statement—

- a) That the Council intends to apply for a special Order to increase the Council's average rate cap for the financial year or any other financial year; or
- b) That the Council has made an application to the ESC for a special Order and is waiting for the outcome of the application; or
- c) That a special Order has been made in respect of the Council and specifying the average rate cap that applies for the financial year or any other financial year.

3.7 QUARTERLY BUDGET REPORT

In accordance with Section 97 of the Local Government Act 2020, Council is required to ensure that a quarterly budget report is presented to the Council at a Council meeting which is open to the public.

The quarterly report must include:

- a) A comparison of the actual and budgeted results to date, and
- b) An explanation of any material variations; and
- c) Any other matters prescribed by the regulations.

In addition, the second quarterly report of a financial year must include a statement by the Chief Executive Officer as to whether a revised budget is, or may be, required.

3.8 FREEDOM OF INFORMATION

The Victorian Freedom of Information Act 1982 (FOI Act) gives people a right to access information held by State and Local Government agencies, including information about the activities of the agency and an individual's personal affairs. The FOI Act also gives an individual the right to request that incorrect or misleading personal information held by an agency about that individual be amended or removed.

A performance report is provided to the Victorian Information Commissioner annually and information for Yarriambiack Shire Council is provided in the Annual Report.

3.9 PERMITS ISSUED BY COUNCIL

Council issues a range of permits under legislation and regulation. Council issued permits include:

- Building Permits
- Planning Permits
- Septic Tank Permits
- Local Laws Permits
- Schedule 13 Permits to Burn
- Asset Protection Permits
- Road Opening Permits

Permits issued by Council will be noted in each monthly Council meeting.
