Please state your objection in block letters.

We do not want this to go ahead, we are concerned about having complete strangers directly across the road from our family and small children along with the noise and traffic that will occur. There is already a perfectly good caravan park meters up the road.

PRIVACY: If an objection is received against the permit application, this matter may be considered by Council at a meeting that is open to the public and information provided from the applicant and the objector may be disclosed for that purpose.
