

**AGENDA OF ORDINARY MEETING OF YARRIAMBIAK SHIRE COUNCIL TO BE HELD
ON WEDNESDAY 10 JULY 2013 AT THE MUNICIPAL OFFICE 34 LYLE STREET
WARRACKNABEAL AT 9:30 AM**

1 WELCOME

2 ACKNOWLEDGEMENT

We acknowledge the traditional owners of the land on which we meet today and pay our respect to both past and present elders.

3 PRAYER

Almighty God, without whom no Council can stand nor anything prosper we ask that you be present and guide us in our deliberations today. We pray that we will be fair in our judgements and wise in our actions and that decisions will be made with goodwill and a clear conscience for the betterment and welfare of the people of Yarriambiack Shire.

Amen

4 PRESENT

Crs K Zanker, H Ballentine, T Grange, A McLean, G Massey, L Woods, R Kingston, Ray Campling (Chief Executive Officer), James Magee (Director Infrastructure & Planning) and Bernardine Schilling (Executive Assistant).

Cr R Kingston

26 June Council Forum

20 – 21 June Attended Social Return on Investment training in Melbourne as part of Volunteering Western Victoria's Volunteer Mentoring Program Steering Committee

3 July Minyip Progress Association

Cr G Massey

14 June Wimmera Regional Library Corporation

14 June Warracknabeal Secondary College Passport to Democracy Presentation, Warracknabeal

23 June Unveiling 2011 Flood Photos Storyboard at Redda's Park, Brim

24 June Internal Audit Committee Meeting at the Yarriambiack Shire Office, Warracknabeal

26 June Council Forum

Cr A McLean

17 June Attended Yarrilinks Meeting in Rupanyup. Planning for plan-out weekend well underway

21 June Attended Sustainability Victoria Meeting. Presentation on "Getting Full Value" (Victorian Waste and Resource Recovery Policy) in Horsham

25 June Attended Grampians Regional Waste Management Group Board Meeting in Horsham

26 June Council Forum

28 June Attended GWMWater Customer Committee Summit

YARRIAMBIACK SHIRE COUNCIL

COUNCIL MEETING

AGENDA

10 JULY 2013

Cr L Woods

- 14 June Attended the Year 9 Warracknabeal Secondary College Civics Presentation held at the Yarriambiack Shire Function Room. Well attended by parents of students and other community members
- 15 June Met with Cr Jessie Kiley from Swan Hill Rural City Council. Our meeting was set up to facilitate the networking of 'Younger' Councillors in Victoria
- 18 June Attended YAKFAT Meeting, chaired by Community Services Manager, Gavin Blinman
- 24 June Attended Yarriambiack Tourism Meeting chaired by Deputy Mayor Cr Helen Ballentine at Yaapeet Community Centre; absolutely delicious 'bush tucker!'
- 26 June Council Forum
- 1 July Attended the Horsham Rural City Council after an invitation from Mayor David Grimble. A great networking opportunity with our neighbouring Council

Cr T Grange

- 12 June Council Meeting
- 17 June Wimmera Roadsafe Meeting
- 19 June Met with constituent in Murtoa about tree stump left in road after the removal of a tree by Council - this tree stump needs removing as it sits well above the road level and is dangerous
- 26 June Council Forum
- 28 June SHARE Meeting in Minyip
- 2 July Attended Minyip Senior Citizens BBQ – celebrating their new kitchen
- 2 July Met with Executive of Minyip Progress Association – various matters
- 3 July Minyip Progress Association General Meeting
- 4 July Guest at Minyip Lions Club Changeover Dinner - also represented the Mayor at this function
- 9 July Wimmera Development Association Board Meeting

10.3 Chief Executive Officer, Activity Report – Prepared by Ray Campling

- Met with Mark Williams, Managing Director, GMMWater
- Attended Rural Councils Victoria Meeting in Melbourne
- Met with Municipal Association of Victoria (MAV) staff in regard to Constitutional Recognition of Local Government matters
- With Madam Mayor, Kyle Zanker attended the National Assembly of Local Government in Canberra
- Met with Jo Bourke – various Wimmera Development Association (WDA) related matters
- Met with Terry Lewis, Department of Environment & Primary Industries
- Attended Redda Park, Brim – Launch of the Flood Story Boards
- Met with Joe McClelland, Regional Development Victoria
- Attended Council Internal Audit Committee Meeting
- Attended the Wimmera Southern Mallee Crime Prevention Reference Group Meeting in Horsham
- Met with Bob Wallace – Training Provisions
- Met with Wendy Scott – Strategic Directions
- Attended VicRoads/Wimmera Municipal Cluster Forum in Horsham
- Attended WDA – Internal Audit Committee Meeting
- Met with Marcus Heath, Russell Kennedy Pty Ltd
- Attended Wimmera Southern Mallee Local Learning & Employment Network Inc Committee of Management Meeting in Horsham
- Attended WDA Internal Audit Committee Meeting
- Met with Colin Morrison, Victoria Grants Commission
- Attended Wimmera Southern Mallee Local Government CEO's Meeting in Birchip
- Met with Melissa Mitchell, Woomelang & District Development Association – Council visit
- Met with Tony Doyle, newly appointed CEO of Hindmarsh Shire Council
- Met with Maxine Morrison and Nicole Waklin, Rural Councils Victoria

10.4 Director Infrastructure & Planning Report – Prepared by James Magee

VicRoads

The CEO and Mayor attended the annual cluster meeting with VicRoads. Yarriambiack Shire put forward the following list of concerns for VicRoads to address:

- Enlargement of culvert capacity on Dunmunkle Creek at Rupanyup, Stawell Warracknabeal Road and Wimmera Highway (noted in recent floods as holding back water and increasing depth of floodwater in Rupanyup Township)
- Intersection of Murtoa Glenorchy Road and Horsham Lubeck Road (great community concern of risk of collision)
- Safety concerns regarding channel crossing just south of Murtoa on Murtoa Glenorchy Road (large hump in road with dips either side, safe only at 80km/hr)
- Repairs of outer kerbing at the Minyip Roundabout (concrete crumbling)
- Increasing roughness of Council Roads and Highways
- Pedestrian safety on Rainbow Road Bridge, Warracknabeal a concern (proposal to install footbridge north of Rainbow Road Bridge, Warracknabeal - request a VicRoads contribution for a footbridge proposal)
- Widening of Borung Highway Bridge, Warracknabeal requested
- Tree canopy clearance and seal widening on curves of Hopetoun Walpeup Road
- 50km/hr speed zone for Cromie Street, Rupanyup
- Request for VicRoads to assess safety/need for dividing line in Cromie Street, Rupanyup. Council and community support for removal of dividing line through Rupanyup township, thereby slowing traffic
- Greater shoulder grading required on all VicRoads controlled roads, particularly C roads
- Placement of signage to direct traffic to Ouyen at the Patchewollock Sealake Road/Hopetoun Walpeup Road intersection. Motorists often go through Patchewollock by mistake and end up lost in Pine Plains
- Large washout adjacent VicRoads, box culvert under Henty Highway (Yarriambiack Creek crossing) 3km south of Hopetoun has not been attended to since 2011 floods
- Additional culverts required beside Wimmera Highway bridge at Jung

Individual matters will be discussed further with VicRoads at a meeting in August.

Anderson Street School Crossing

Following a request from Warracknabeal Primary School, Council has reviewed the safety of the school crossing following a near miss. The crossing and signage conforms to standards however line marking has been repainted to make the crossing more obvious.

Speed has been a factor and local police have agreed to monitor the crossing. A speed display trailer has been placed onsite for several weeks to promote an awareness of speed.

Additional line marking is currently being considered by Council.

Assets – Prepared by Mick Evans

- Continue developing GIS Mapping for Grading Program
- Developing Road Management Plan Inspection Regime for this year
- Developing 2013-14 Capital Works Program
- Reviewing finished job costs from the 2012-13 Capital Works Program

Emergency Management

- Attended Emergency Management Liaison Officer Training in Horsham

Environment – Prepared by Geoff Harvey

- Organised, attended Yarrilinks Meeting in Rupanyup
- Inspected rabbit control works, Galaquil East area
- Assisted Landcare Coordinator with tree planting at Warracknabeal Transfer Station
- Organised tenders for hot water changeover under Local Government Energy Efficiency Program
- Attended Wimmera Mallee Sustainability Alliance Meeting in Nhill
- Held Planet Footprint Quarterly Review
- Attended Tech Services Meeting
- Prepared and submitted Pests on Roadsides bid to Department of Environment & Primary Industries
- Attended Western Spatial Group Meeting in Maryborough
- Inspected Hopetoun tree clearance site with Shire Legal Advisor
- Attended Sustainability Partnership Workshop in Ballarat
- Responded to various ratepayer requests/complaints

Technical Services – Prepared by Tony Brennan

- Process various Civica Requests as needed
- Updated vehicle checklists and plant machinery checklists with vehicle changeovers as required
- Issued Road Opening Permits as needed for various minor/major works
- Monitored all 'Dial Before You Dig' enquiries throughout the Shire to assess if a Road Opening Permit is required
- Continued with the process for the inclusion of an Asset Protection Permit into Local Laws and Road Opening Permit system to cover the cost of any damage to Council Assets by contractors
- Used Plant Assessor Website to produce Assessments for the sale of various plant through the tender process
- Updated the Australian Level Crossing Assessment Model representative about Memorandum Of Authorisation with VicRoads for the completion of speed limit reduction signage to nominate rail crossings within the Shire
- Begin application process to Powercor for approval to erect three street lights along Racecourse road in Murtoa

Warracknabeal Regional Livestock Exchange

- Continued with on going works to extend fence/gate and race height as required at north end of complex
- Attended the Annual Meeting of the Wimmera Region for the Livestock Saleyards Association of Victoria Inc re Election of Office Bearers as follows:-
 - Regional Chairman – David Trimble Regional
 - Secretary – Tech Services State Executive, Horsham Rural City Council
 - Committee – Paul Christopher and Ray Kingston (Reserve - Bernie Dunn)Organise for updates to Livestock Exchange Program software on the laptops that process all sale data for the Warracknabeal Regional Livestock Exchange

Risk & Safety Report – Prepared by Barry Sullivan

- Attended a JLT Forum in Wycheproof with Risk and Safety officers from surrounding Councils and water authorities
- Work Health Programs held in June:-
 - Health Nutritional Workshop
 - Mind Matters Workshops and
 - Pedometer Challenge
- Safety Audits have been conducted at Warracknabeal, Minyip and Rupanyup Kindergartens in June, which include a Chemical and Dangerous goods Audit of the properties. Draft reports have been sent out to all stakeholders involved in the kindergartens for comment

Technical Support – Prepared by Nathan McLean

- Traffic Counter Operation
- Assisted the Design Engineer with surveying
- Capital Works Program hand over sheets
- Lease vehicles updates
- Council Forum items
- Healthy Nutrition Session
- Mind Matters Session
- Researched valves for outlet pipes to prevent back flow of water

Design – Prepared by John Boehm**Council Capital Works Program 2012/2013****Surveys, Design and Set out:**

- The concrete kerb and channel, parking lane, drainage pipe and paved footpath reinstatement to Phillip Street (East side, shopping centre) is complete
- Concrete kerb and channel to west side of Lloyd Street, Murtoa (working on last section, east side)
- One block replacement of the concrete footpath in Beggs Street, Warracknabeal and some kerb repairs is completed
- Replacement section of concrete path in Coral Avenue, Warracknabeal (Completed)
- Line-marking for angle parking arrangement in McDonald Street, Murtoa – west side bays in shopping area are marked and plans are being drawn for relocation of the bus park
- Site plan for the Warracknabeal Mechanics Depot

Flood Works Projects

- Investigations to eliminate ponding of water in the table drain along the Henty Highway in Warracknabeal
- Plans for guard rails at the Brim Weir

Other Projects

- Assessment of signage and engineers report for School Crossing in Anderson Street, Warracknabeal
- Assessments and reports to Planning Applications, specifically covering engineering issues

10.6 Community Services – Prepared by Gavin Blinman

Kindergartens

This month Rupanyup Kindergarten has been assessed under the National Quality Framework, the result was positive with the Rupanyup Kindergarten meeting all standards and exceeding in the management area.

This is a great result for Stephanie and the local committee, as many kindergartens are being assessed as needing to work towards the standards.

The draft final report of the Early Years plan has arrived, I will be proof reading it and sending it out to Council Forum shortly for it's adoption before we put it out for public comment.

The plans and specifications for the Hopetoun Kindergarten have arrived after a final stakeholder meeting. We will be advertising the tender for the works and hope to have the tender period finish by the end of July; we will need to form a tender panel to evaluate the bids and make a recommendation to Council (the panel should include a Councillor).

Aged and Disability

Warracknabeal HACC Office

Lisa Dunkley (Aged & Disability Services Coordinator) will be taking two months leave commencing July. Michelle Hallam (Aged & Disability Services Officer) will relieve Lisa in her absence.

Volunteer Transport

This month Volunteer Transport is down. Two drives to Horsham and one drive to Ballarat. July has already received a number of bookings.

Memory Lane Cafe

Next meeting will be held on Tuesday, 9 July at 1.30pm at the Hopetoun Senior Citizens Clubroom. A meeting for people with a diagnosis of dementia, family members and carers come together to discuss their issues.

Improving Liveability for Older People (ILOP) Newsletter

First edition went out on Monday, 24 June 2013 it has been a great success so far. 700 newsletters were sent out across the Shire to all community groups, centres and senior citizens clubs. More copies have been requested by some community groups particularly from the Minyip/Murtoa area.

Home & Community Care (HACC) Staff

All HACC staff updated their Medication Certificate, they completed this at Rural Northwest Health in Warracknabeal.

Meals on Wheels

'Meals on Wheels' is running steadily, has slightly increased in numbers due to the elderly who are ill coming out of hospital and want to receive meals short term.

HACC Mobile

On Wednesday, 3 July 2013 Lisa and Michelle will be going out to staff to introduce them to the new HACC Mobile Phone. The Staff will then take the phone with them to slowly introduce it to clients.

Environmental Health / Local Laws

Council Food Premises Inspections have continued with food proprietors generally complying with legislation. One complaint was received during June. Upon investigating the complainants/concern, no evidence was found to substantiate the details of the complaint.

The illegal clandestine lab found by police in Yaapeet has been assessed by Council and remediation of the site is expected to start over coming weeks. Remediation must be undertaken by a suitably qualified professional.

Two onsite wastewater applications were received in June, with one system being a conventional septic tank design, while the other, an aerated wastewater treatment plant. Both sites have had preliminary inspections and work to install this infrastructure will soon commence. A total of three final permits were also issued for wastewater systems that have now been completed.

A complaint was also received by a resident that was concerned about chemical drift from a nearby grain storage shed. This matter was investigated and the chemical was found to be of a very low toxicity. Council is currently in the process of discussing this matter with the grain shed owners in order to prevent the issue from occurring in the future.

The ranger was away on two weeks sick leave and during this time Brad Cox (Relief Ranger) relieved his role as required.

A number of animals were removed from a property in Tempy (the resident's had left the property and abandoned their pets). There were several kittens and dogs, along with two goats. A report has been lodged with the RSPCA. All animals have been rehoused.

There were other dogs seized from a property in Warracknabeal that had not been looked after and were in very poor condition. Once again these people had fled the property an eviction notice had been served. A report on this will also go to the RSPCA.

Brad was kept busy with cats, this trend still continues with traps in high demand. There needs to be a lot of work done in certain areas with trapping programs.

There are several properties with notices on them for either repair or demolition; this work is being done with the building department. Several other properties across the Shire are being inspected and may be added to the list.

There has been improvement works undertaken at the pound, with new feeders for the dog pens as well completion of the cat room, to fully enclose the roof area.

The shed in the impound yard has been erected, this will now allow us to store impounded items in a locked up area and keep animals out of the weather.

Two dogs caused issues when they menaced a couple of seniors on gophers, the dogs were tracked by police and the ranger and fines were issued. The ranger is following up on menacing dog charges for these animals, as this is not their first offence.

Youth

Individual Clients Assisted

Six clients assisted this month.

Training

Common Risk Assessment Family Violence Training.

Student placement

Discussions with Wimmera Hub in relation to the Certificate IV in Youth Work.

Motov8 to the Wimmera

Murtoa school date set at 24 October 2013.

Warracknabeal and Hopetoun dates yet to be confirmed.

Yarriambiack Has Talent

Date set for 30 August 2013.

2010 Australia you've got talent winners, Justice Crew are to attend "Yarriambiack HasTalent" and hold a workshop with college students beforehand.

An Art show will be held on Friday, 16 August 2013 to showcase different abilities of youth.

Facebook

Promoted "Aiming for Independence" (A4I), a program consisting of workshops for young people, aimed at helping them to develop and enhance their life skills.

Emergency Relief

We provided support for nine clients this month.

We have also discussed arrangement with Dunmunkle Health and Rural Northwest Health to give the social workers funding to ensure this program is available across our Shire. The other services will be able to provide relief without clients needing to travel into the Shire Office.

Volunteer Transport

Very quiet month for transport; only four clients transported to Horsham and Ballarat.

Maternal and Child Health

Stats from the MCH End of Financial Year Report

- 594 hours of service was carried out in flexible capacity activities, this included mothers groups, play groups and telephone and additional consultations
- 64 new enrolments from birth with 22 of these being first time mothers
- three consultations outside of the Shire were conducted in the north
- 64 home consultations for the key ages and stages visits were done including two Aboriginal or Torres strait islander notifications
- 68 new enrolments for the year
- 28 referrals to other agencies were done in the year for a variety of reasons, including oral health consults, auditory testing and communication issues

10.7 Infrastructure Services Report – Prepared by Bernie Naylor

Kerbside Waste and Recycling Audits

Through the Grampians Regional Waste Management Group, funding was obtained to undertake kerbside recycling and Waste Audits.

Council selected 100 properties at random throughout the municipality and collected their kerbside waste and recycling materials, with the following preliminary results for Council's information.

Kerbside Waste

- 84% Participation rate
- Weekly waste generated – 30 tonnes
- Average weekly waste generated – 10kgs per household
- Average annual waste generated – 519kgs per household
- Average weekly food waste disposed – 6.2kgs per household
- Average weekly green waste disposed – 2.4kgs per household

On average there is 1.5kgs of recyclable materials being disposed of through the kerbside waste collection system per week, which is a very good result.

Kerbside Recycling

- 74% Participation rate
- Fortnightly Recycling material generated – 24.2 tonnes
- Average F/N recycling material generated – 15.8kgs per household
- Average annual recycling material generated – 412kgs per household
- Of the recyclables collected – Paper is 47.7%
- Of the recyclables collected – Glass is 18.2%
- Of the recyclables collected – Plastic is 9.1%%

Of the contamination in the recyclables, 27% is from nappies and 17% from green waste.

Fixit Cafe

The Waste Management Group conducted a Fixit Cafe Pilot Program which was held at the Warracknabeal Men's Shed; residents brought in items to be repaired instead of being disposed of at the landfill. There was a terrific response to this program, items such as chairs, toys, cupboards etc being repaired.

C177/2013 Kerb and Channel program 2013/2014

As Council would be aware through the budget, Council has increased the kerb and channel replacement program for 2013/2014.

Due to the increased amount of replacement work we have decided to tender out the replacement program as detailed below:-

Road	Township	Side of Street	Length (M)	Tendered Price
Anderson St	Warracknabeal	West	220	The Avenue to Woolcock St
Anderson St	Warracknabeal	East	207	Milbourne to Werrigar St
Miller St	Murtoa	West	161	Marma to Breen St

Annual Review of Kerbside Waste and Recycling Contract

I have undertaken the annual and final review of the above mentioned contract, as this contract is to be tendered out this year for five years plus an option of a further two years.

Pleased to advise Council there have been no OH&S incidents, any complaints received have been addressed by the contractor, Wimmera Mallee Waste in a very prompt and courteous manner.

Items to note that the contractor has provided sponsorship through free waste collections for the Mallee Machinery Field Days, Warracknabeal A & P Annual show and the Wheatlands Easter Rally, as well as many smaller events throughout the Shire.

Q73/2013 Sale of Surplus plant and Equipment

Council advertised on Friday, 21 June 2013 for the sale of the following surplus Plant and Equipment, tenders close on Friday, 12 July 2013.

10.8 Economic & Community Development Report – Prepared by Jaye Macumber

Meetings Attended

03/07/2013	Woodbine's Target Proposal Meeting
03/07/2013	Minyip Progress Association
03/07/2013	Rupanyup Community Bank
04/07/2013	Willhomena Dutsche – re Warracknabeal Lutheran Church Music Concert
08/07/2013	Rupanyup Consultative Committee

Community Projects

Flood Story Boards

- All eight story boards have been installed at Rupanyup (Memorial Park), Warracknabeal (Apex Park, north of Commercial Hotel, near Ross Street and near the Boat Ramp Picnic Area), Brim Caravan Park, Beulah Football Ground and Hopetoun Wayside Stop
- Peak flood level markers are currently being installed at the signs and in towns where appropriate
- Brim has had its opening function, approximately 60 people attended
- The other towns will arrange their own functions
- The project is funding these functions

Hopetoun Industrial Estate

- Expression of Interest has been supported by Department of Planning & Community Development (DPCD)
- Final funding application was submitted 26 June, 2013

Footbridge over Yarriambiack Creek in Warracknabeal

- Expression of Interest has been supported by DPCD
- Final funding application currently being prepared

Woomelang Cronomby Tanks Walking Track Development

- Walking tracks and car park have been gravelled
- Currently investigating options for a toilet

Warracknabeal Lutheran Church African Music Event

- Working with Church on scoping the project

Warracknabeal Schools Music Workshop

- Working with Hanna Butuyuyu on scoping the project

Warracknabeal Town Hall Upgrade

- Committee scoping project

Minyip Bushland Reserve Resurfacing Project

- Funding application completed and submitted to DPCD

Patchewollock Music Event

- Funding application has been submitted

Community Projects – Prepared by Dennis Smith**Putting Locals First Program**

The application for funding to upgrade the heating and cooling systems at the Brim Sports and Social Club has been approved with a grant of \$15,800 for a total project cost of \$21,061. The Activity Schedule has been signed and returned together with other required documentation. Work is anticipated to commence July 2013.

I am currently working with the Wheatlands Museum Committee to develop a Project Proposal Application under this funding program, for the redevelopment of the Museum's entrance foyer. This involves the construction of a new and larger foyer incorporating a display area, meeting room, archive and office room, cleaner's room, commercial kitchen and two unisex disabled compliant toilets. Estimated cost for these works is in the vicinity of \$330,000.

Country Football and Netball Program 2012/2013

A full application for the Minyip Murtoa Football Netball Club to upgrade the existing lighting to meet the minimum training illumination standard at the Murtoa Recreation Reserve has been prepared and submitted. The application requests a grant of \$100,000 for a total project cost of \$153,230.

A representative from Department of Planning & Community Development met with Andy Delahunty (President of the Football Netball Club) and I on Monday, 1 July at the Recreation Reserve, for a site inspection and to discuss the application prior to the application being presented to the evaluation panel.

Community Facilities Funding Program 2013/2014

It is anticipated the Beulah Bowling Club Synthetic Surface installation will commence September/October this year and the Hopetoun Cricket Club Practice Facility construction will commence July/August this year.

Community Facilities Funding Program (CFFP) 2014/2015

The process in applying for funding to the CFFP next round has been changed to a two stage application process. Subsequently, a Project Proposal for the Murtoa Bowling Club Synthetic Green Installation has been prepared and submitted to Sport & Recreation Victoria, with a grant requested of \$100,000 for a total project cost of \$153,000.

Murtoa Angling Club Clubhouse

Internal works, tank installation, veranda and paving are completed; the fishing platform upgrade is almost complete and the pathway will be constructed at completion of the fishing platform. Anticipated completion of the remaining work is the end of August.

Warracknabeal Streetscape Stage Three

Grant acquittal documentation is currently being prepared and will be submitted mid to late July.

Warracknabeal Golf Club Clubhouse Redevelopment

Work on the construction of the disabled toilet facility and the upgrade to the ladies locker room have commenced and will be ongoing over the next two months, with the construction of the disabled access and men's locker room upgrades expected to be completed late August/early September.

Community Facility Funding Program 2010/2011

A mandatory requirement for grants is that an Outcomes Report be prepared so that the grant provider obtains feedback as to the effectiveness of grant funded projects. As a consequence of this requirement, Outcome Reports have been completed for the Warracknabeal Golf Bowls Lighting Development and the Warracknabeal Lions Park Playground Upgrade projects (both of these projects were completed in 2011) and these reports have been forwarded to Sport and Recreation Victoria.

Grants Acquitted

- Hopetoun Golf Club Tees Conversion to Synthetic Surfaces
- Beulah Recreation Reserve Oval Lighting Upgrade
- Hopetoun Netball Courts Surface Upgrade.

SHARE Program (Sustainable Healthy Adaptable Resilient Engaged) – Prepared by Marianne Ferguson**Beulah Community Planning Forum**

Beulah will host a Community Planning Forum in the Supper Room of the Memorial Hall on 10 July at 7.30pm. Ideas generated from the forum will be utilised to update the Beulah Community Action Plan.

Go Online: A Start up Guide for Business Workshop

The above mentioned workshop was held at the Woomelang Primary School on Tuesday, 18 June. The workshop was well attended with ten business people participating and incorporated setting up a website, using social media, e-business basics and how to communicate with customers online.

Hopetoun Caravan Park

Works to upgrade the ladies amenities at the Hopetoun Caravan Park are proposed to begin in late July.

Jackie Mac Park, Woomelang

Landscaping works are continuing at the Jackie Mac Park in Woomelang. New paving, gypsum paths, seating and fencing will complement the newly installed playground.

Mallee Bush Retreat

The Lake Lascelles/Corrong Committee of Management is currently working on the final application to obtain funding from the Putting Locals First Program for the fifth stage of the development, that will see the construction of a 'Single Man's Quarters'.

Woomelang Caravan Park

Renovation works are continuing at the Woomelang Caravan Park. The renovations will include the installation of showers, tiles and new fixtures.

Yarriambiack Tourism

The Yarriambiack Tourism Facebook Page continues to grow and currently has 152 'Likes'. Members of the Yarriambiack Tourism will participate in a Social Media Workshop to be held at the Warracknabeal Neighbourhood House on Monday, 29 July 2013.

11 REPORTS FOR DECISION

11.1 Finance Report – Prepared by Anita McFarlane

The Finance Report as at June 2013 will be tabled.

Recommendation

The Finance Report as at June 2013 be received.

11.2 Revenue Report – Prepared by Chantelle Pitt

The Revenue Report as at July 2013 will be tabled.

Recommendation

The Revenue Report as at July 2013 be received.

11.3 Budget 2013/2014 – Prepared by Anita McFarlane

The 2013/2014 Budget is tabled.

At the Council Meeting held on Wednesday 12 June 2013 Council resolved to advertise (Section 127 Local Government Act 1989) that the 2013/2014 Budget had been prepared.

The 2013/2014 Budget has been advertised accordingly. No submissions were received.

Recommendation

That the 2013/2014 Budget as tabled be adopted.

11.4 Declaring the Rate and Differential Rate 2013/2014 - Prepared by Chantelle Pitt**Amount Intended To Be Raised**

- (A) That an amount of \$10,010,900 be declared as the amount which Council intends to raise by General Rates, Service Charges and Municipal Charge, which the amount is circulated as follows:

General Rate	\$8,799,000
Service Charge	\$ 902,000 (excluding GST)
Municipal Charge	\$ 309,900

General Rates

- (B) (1) A general rate be declared for the period commencing on 1 July 2013 and concluding on 30 June 2014.
- (2) It be further declared that subject to paragraph 5 of this part, the general rate be raised by the application of a uniform rate.
- (3) A percentage of .6825% be specified as the percentage of the uniform rate (which percentage may be alternatively expressed as .006825 cents in the \$).
- (4) It be confirmed that the general rate for all rateable land within the municipal district be determined by multiplying the Capital Improved Value of each rateable property by that percentage (so that the amount payable be .006825 cents in the \$ of the Capital Improved Value).
- (5) (a) It be recorded that Council considers that a differential rate will contribute to maintaining the existing rate burden between farm land and other land.
- (b) A differential rate be declared for that rateable land having the characteristics specified below, which characteristics will form the criteria for the differential rate so declared:

In accordance with:

- (i) The definition of Farm Land in Section 2 of the Valuation of Land Act 1960.

- (c) The differential rate be determined by multiplying the Capital Improved Value of the rateable land categorised in paragraph 5 (b) by the percentage indicated in the following table:

Category	%	cents in \$ of CIV
Farm Land	.5801	.005801

- (d) It be further recorded that the objectives of the differential rate are those objectives specified below:
- (i) To allocate a lower rate in the dollar for Farm Land on the basis of maintaining the existing rate burden between farm and other land.
- (6) In accordance with Section 4 (1) of the Cultural & Recreational Lands Act 1963, Council does not levy a rate on Cultural and Recreational Land within the Municipality.

Municipal Charge

- (C) (1) A Municipal Charge of \$60.00 per rateable assessment be declared for the period commencing 1 July 2013 and concluding on 30 June 2014.
- (2) A person may apply to a Council for an exemption from the payment of a municipal charge on rateable land in accordance with Section 159 (3) of the Local Government Act 1989.

Service Charge

- (D) (1) An annual service charge be declared for the period commencing on 1 July 2013 and concluding on 30 June 2014.
- (2) The following annual service charges be declared for the collection and disposal of refuse in the Yarriambiack Shire:

Residential 240ltr service fee	\$308.55
Residential 120ltr service fee	\$158.53
Residential 80ltr service fee	\$114.20
Commercial 240ltr service fee	\$339.41 (inclusive of GST)
Commercial 120ltr service fee	\$174.38 (inclusive of GST)
Rural 120ltr service fee	\$174.38 (inclusive of GST)
Rural 80ltr service fee	\$125.62 (inclusive of GST)
Rural 240ltr service fee	\$339.41 (inclusive of GST)
Residential Kerbside Recycling	\$102.43
Commercial Kerbside Recycling	\$112.67 (inclusive of GST)
Rural Recycling	\$112.67 (inclusive of GST)

Rebates and Concessions

- (E) Subject to any further resolution of Council, the following rebates and concessions have been granted for the period commencing 1 July 2013 and concluding 30 June 2014:
- (i) Rate reduction for new housing developments, in accordance with the Yarriambiack Shire Council Rate Relief – New Houses Policy.
 - (ii) Council employee payroll deductions, for the purpose of paying rates on properties within the Yarriambiack Shire Council, in accordance with the Yarriambiack Shire Council Enterprise Bargaining Agreement No.6. Interest will be waived for employees using payroll deductions for payment of rates.

Incentives

- (F) No incentives are declared for the payment of general rates (and annual service charge described earlier in this resolution) before dates fixed or specified for their payment under Section 167 of the Local Government Act 1989.

Interest

- (G) (1) The rate of 10.5% per centum per annum be specified as the rate of interest for the purposes of Section 172 of the Local Government Act 1989.
- (2) The rate so set be effective until a new rate is fixed by the Attorney-General in accordance with Section 2 of the Penalty Interest Rates Act 1983.

Consequential

The Revenue Officer be authorised to levy and recover General Rates, Service Charges, Municipal Charge and Fire Services Property Levy in accordance with the Local Government Act 1989 and the Fire Services Property Levy Act 2012.

Pensioner Rate

- (H) That, in accordance with the provisions of the Local Government Act 1989 and Fire Services Property Levy Act 2012, and with the consent of the minister, the Council in relation to recipients eligible for waivers in 2013/2014 as having made continuing application for waiver in respect of the same rateable land which a waiver was granted in 2012/2013, unless the person advises the Council that a waiver is no longer sought.

Recommendation

Yarriambiack Shire Council strike the rates and charges for 2013/2014 as presented.

11.5 Constitutional Recognition for Local Government – Prepared by Ray Campling

Introduction

The Australian Local Government Association (ALGA) is campaigning for the inclusion of Local Government in the Australian Constitution to provide financial certainty in regard to direct Federal Government to Councils.

The Australian Government has confirmed its support for the recommendation to proceed with a referendum to be conducted at the upcoming 2013 Federal Election.

Background

Local Government generates in the vicinity of 80% of its own revenue, with grants from the State and Federal Governments providing an additional source of funding. Vital funding from the Australian Government can concur as a direct payment from the Australian Government to Councils, - or as payments through the State Government, which are distributed through the Victorian Grants Commission.

The most significant direct payment is funded under the Roads to Recovery (R2R) program, which has provided Victorian Councils with \$365 million over the past four years. Since the program commenced in 2001, Victorian Councils have received in the vicinity of \$1 billion in Roads to Recovery funding. In this period Yarriambiack Shire Council has received approximately \$13 million from the R2R program. There is bipartisan support for this program to continue until at least 2019.

Other Federal Government programs also provide direct funding to local Councils. From 2008 to 2010, for example, the Regional and Local Community Infrastructure program funded Victorian Councils \$300 million over three years for local community infrastructure programs.

Despite making direct payments to Local Government for many years, the Australian Government may actually lack the Constitutional power to do so.

In 2009 Bryan Pape challenged the constitutional basis of the \$900 taxpayer 'stimulus' payment. The High Court's decision in the Pape case created uncertainty regarding the validity of direct payments from the Australian Government to third parties (including Councils), where there is no specific head of power in the Constitution. The constitutional validity of the Australian Government funding councils through payments through the states is irrefutable.

The 2012 High Court ruling in the Williams case confirmed a lack of power to directly fund the National School Chaplaincy program. This outcome further built on the Pape case to confirm the Australian Government's limited capacity to make payments in areas not expressly provided for in the Constitution, by emphasising the need for any funding to be specifically authorized by an Act of Parliament.

Advice from leading constitutional experts confirms these High Court decisions leave the direct payment model, particularly the Roads to Recovery program, fatally exposed to further constitutional challenge.

Legal advice sought by ALGA from two constitutional experts states, that the Commonwealth's recent solution to establish legislation does not address the Roads to Recovery program and the program remains open to constitutional challenge.

Proposed Change

A reference to Local Government in Section 96 of the Constitution would create a specific head of power in the Constitution for direct payments to occur.

The preferred wording, recommended by the Expert Panel on Constitutional Recognition of Local Government (2012) and supported by the ALGA is an amendment to read:

"Parliament may grant financial assistance to any state or local government body formed by or under a law of a state or territory."

Financial recognition in the Constitution seeks to formalise and secure direct federal funding which has been received by local government for more than ten years. Recognition won't change the status of Local Government, its powers, or its relationship with the State Government.

Voluntary Levy from Councils

The ALGA, working in conjunction with the Municipal Association of Victoria (MAV) and other state associations, has undertaken extensive planning to run a 'Yes' Campaign. A national campaign framework has been developed; the ALGA has applied to be the exclusive recipient of public funding for a 'Yes' Campaign, and will appoint a National Campaign Director.

The campaign needs to be activated quickly to have the best chance of succeeding. The ALGA has previously identified that a national campaign could cost Local Government in the order of \$10 million. Victorian has been requested to contribute \$2.06 million to the campaign. The Federal Government recently announced that they will be contributing an amount of \$10 million towards the 'YES' campaign and an amount of \$0.5 million towards the 'No' campaign.

MAV have received formal responses from 65 Councils. Of those, 48 municipalities (73.8%) have agreed to contribute a combined total of \$938,793. Of the 17 Councils who have advised that they will not contribute to the campaign, only one Council has advised they will not participate in local 'Yes' campaign activities.

A further 14 Councils, with a combined voluntary levy potential contribution of \$380,248 are yet to notify the MAV if they will contribute, including seven Councils who will make a decision at their June Council Meeting.

There will be no further 'call' on Victorian Councils as the ALGA has already been advised that we do not expect to reach our full target allocation.

Nationally, Queensland Councils are contributing \$2.1 million through a compulsory levy; NSW Councils are contributing \$2.6 million through a compulsory levy; SA is contributing \$988,000 through Councils and LGA funds; WALGA is contributing \$1.19 million; \$381,000 is being provided by Tasmanian Councils and \$307,000 from the Northern Territory.

The National Local government investment in this referendum represents around 37 cents for every person in Australia – a small investment to protect the billions of dollars provided in direct federal funding for vital community infrastructure and services.

At this stage MAV are only seeking formal notification of:

- A commitment to participate in a national 'Yes' campaign at the municipal level; and
- The amount of voluntary levy Council agrees to contribute towards the 'Yes' Campaign

Council now needs to formally decide to:-

1. Formalise participation in the national campaign
2. Determine whether that support also includes a financial commitment to ALGA 'YES' campaign by contributing via the MAV
3. Contribute an amount of \$2,000 to the MAV

Risk Management Implications

It is not satisfactory where the current status of federal grants directly funding Councils is uncertain. Council is asked to join with other Councils throughout the country to campaign for a change in the constitution. Should the referendum fail, future grants may be not be as accessible from the Federal Government.

Communications Strategy

The ALGA and MAV will provide information and assistance for the Council to improve awareness in the local community on the importance of supporting the referendum.

Recommendation

That Council:-

1. Commits to participate in the National 'YES' Campaign at the municipal level, seeking recognition for Local Government in the Australian Constitution; and
2. Agree to contribute an amount of \$2,000 towards the 'YES' Campaign.

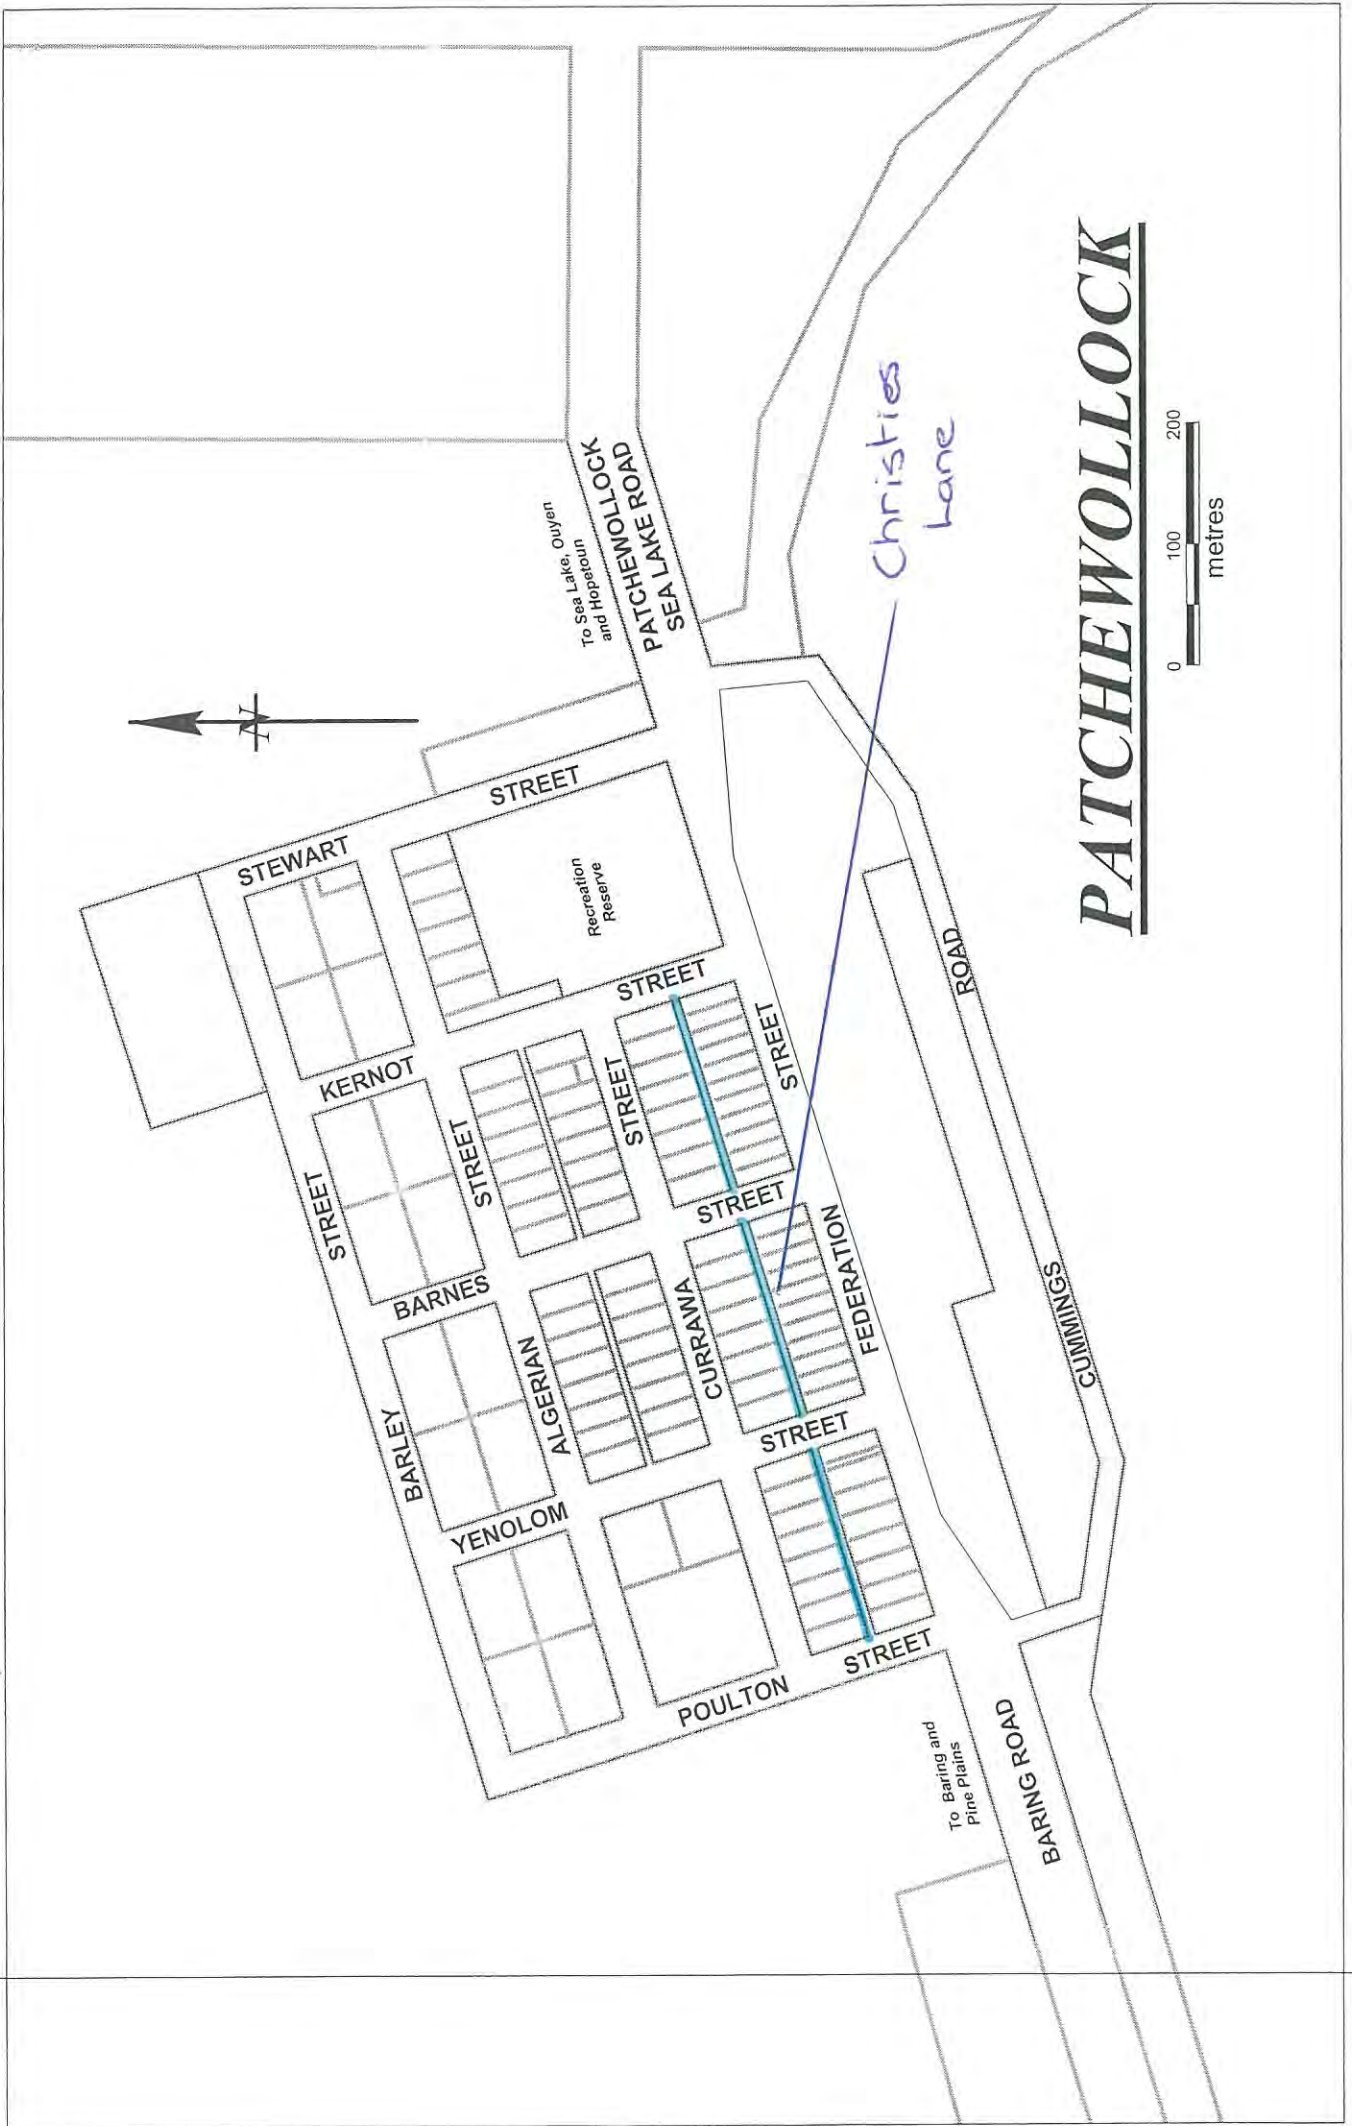

11.6 Request to Recognise Mr Keith and Doris Christie for their Contribution to the Patchewollock and Surrounding Areas - Prepared by Nathan McLean

Council has received correspondence from Nanette Bond requesting a proposal to recognise her parents for their contribution to Patchewollock and district.

Nanette wishes to propose that the un-named lane which runs from Poulton Street to Kernot Street, Patchewollock be named "Christies Lane" in recognition of her parents (map attached).

Recommendation

That Council follow due process of the Geographic Name Guidelines and advertise to the public that consideration be given to the naming of the un-named lane to that of "Christies Lane".
