10.6 Community Services Report – Prepared by Gavin Blinman

Kindergartens

The small rural grant allocations have been made for this year from the State Government.

Beulah	\$18,000
Hopetoun	\$10,000
Minyip	\$18,000
Murtoa	\$ 6,000
Rupanyup	\$ 6,000
Woomelang	\$20,000

Murtoa is receiving funding for the first time through this scheme and it will assist them to finish the year at a cost neutral position.

This term we are holding our pupil free day to allow the staff to upgrade first aid and anaphylaxis training which is mandatory under our Funding and Service Agreement. This is scheduled for 29 October and will be held at the Shire office.

Environmental Health / Local Laws – Prepared by Tim Rose and Greg Wilson

Food businesses in Yarriambiack Shire have demonstrated reasonable compliance in October, with no major non-compliance matters identified. Inspections were undertaken of all mobile food businesses that attended the Warracknabeal Show and these proprietors were very cooperative.

Onsite wastewater assessments have been ongoing, with a number of permits being issued for both installation and completion of systems. Council has also received two complaints regarding unsuitable or poorly operating wastewater systems. These complaints are currently being investigated.

Council's immunisation program has been completed following the successful vaccination of a large proportion of eligible school children in the South of the Shire. The program has provided the opportunity for children to be vaccinated against Chickenpox, Human Papillomavirus, Diphtheria, Tetanus and Pertussis (whooping cough). Changes are currently underway in relation to the reporting of immunisation data, whereby training will be held in Melbourne to inform relevant staff.

Council's Blue Green Algae monitoring program will commence this month and continue until late March 2015 to assist with the early detection of potential blooms.

Last month has been a busy one for many reasons including local laws, animals and now fire prevention kicking off.

Although the pound was empty for most of the month as the number of wandering dogs has declined, there have been a few issues with dogs wandering off properties and being a nuisance. All of these were dealt with and owners advised of their responsibilities as well given direction on how to fix their yards to make them escape proof for their dogs. Owners were also cautioned that any future problems arising, fines would be imposed.

Cats are still being trapped on a regular basis across the Shire with no let up in sight.

There have been many calls about roosters of late with all of these being dealt with once the owners were found and roosters relocated.

Unightly yards are being looked at with a number of complaints being made; this is mainly to do with cars and rubbish.

Block inspections have now started for fire prevention works, the decision was made to start early with the warmer weather now upon us. All the northern towns have been done with very few notices sent, which is very pleasing seeing so many properties cleaned up early this year.

Aged and Disability – Prepared by Lisa Dunkley

Wednesday, 24 September we held our Senior Citizens day at the Warracknabeal Town Hall. Predictions of a large crowd were correct with approximately 400 seniors from across our Shire and neighbouring Shires attending; one of our biggest shows over the last few years. Mayor Andrew McLean kindly opened our special event by welcoming all attendees. James Blundell (a renowned country music singer) performed numerous famous tracks and engaged really well with the crowd. Afterwards a free BBQ luncheon was held at the Warracknabeal Leisure Centre. Positive feedback from most seniors, they found the entertainment was great and food was lovely. Thank you to all those who contributed their time towards this event, all help was greatly appreciated.

Thursday, 2 October we held a 'Living Well Ageing Better' Seniors Forum at the Warracknabeal Community Centre funded by the office of Seniors Victoria. Approximately 60 seniors from across the Shire learnt ways to enhance their physical, social, emotional, spiritual and financial wellbeing. Hosts were Roland Naufal (widely regarded as one of Australia's foremost experts on ageing well) and Collette Naufal (known for her passionate presentations about communities that bring people of all ages together). Other guest speakers included Rural Northwest Health Allied Health employee Brooke Nuske, Yarriambiack, West Wimmera and Hindmarsh Shire Healthy Ageing Project Officer Wayne Johns, Dunmunkle U3A representative Peter Bridgland and Hillross Horsham's Barry Crewther discussed a range of topics including ageing well, ways seniors can enhance their physical, social, emotional and spiritual wellbeing, economic forecasts and the five key tips for managing finances as they age. Following the event a free healthy luncheon was provided; many of the attendees provided positive feedback about the session and found the resources provided to them extremely useful.

HACC Community Care Workers have been busy being up skilled and enjoying training over the last two months.

YacVIC LGA Statewide Forum

The Youth Forum brought together youth workers from local Councils throughout Victoria to discuss the role of Local Government in youth engagement, local issues and collective solutions.

Some key focus areas included a workshop on rural issues where discussions centred on how to overcome problems of isolation and lack of infrastructure. YacVIC has suggested a mentoring support network for new youth workers in isolated rural areas so that they can get support and advice from other more experienced workers in similar roles.

Youth Action Council

Planning for a Youth Council is one of the focus areas for the coming months. It will involve young people between 12 and 25 who will provide a voice to Council and the community on issues of importance to them.

The Youth Engagement Officer's role is to support the concept of Youth Council participants as decision-makers, mentor the participants, search for partners and funding and generally keeping the process moving forward. The next step is to develop the objectives and guidelines further and present the idea to young people through schools and community networks and establish a timeline of elections and meetings.

Warracknabeal CAN Meeting

The CAN meeting was an opportunity to engage with key members of the community and hear about current community projects as well as informing them about the scope and objectives of the youth engagement role. The issue of training someone in Youth Mental Health First Aid was raised, as there is currently a gap in the community and it was suggested that it would be useful for the Youth Engagement Officer to do the training required for this role.

Volunteer Meals and Transport – Prepared by Michelle Hallam

Meals on Wheels

'Meals on Wheels' have remained consistent.

Volunteer Transport

Volunteer Transport has been huge for the month of September, we completed 12 drives and had two cancellations. October is already looking strong with 10 bookings so far. This service has really picked up over the last few months which is positive.

In the process of putting together a 'Thank You' BBQ luncheon in the month of November for our Meals on Wheels and Volunteer Drivers, looking to have one in Hopetoun and another in Warracknabeal. The aim is to thank all Volunteers for their kindness and hard work throughout the year. The event will be heavily advertised and invitations will be sent out.

Portsea Camp: 11 - 17 January 2015

Interest in the Portsea Camp is a little slow starting, however we will re-advertise in Primary School newsletters across the Shire. We are looking for Volunteers (18+) who could attend this camp to help supervise the children and be involved in camp activities. This is a great opportunity for University Students studying (especially teaching) as they can gain credits for most of their Community Hours. Anyone interested can contact Michelle 5398 0107.

Community Projects

Murtoa Lake Marma Stage 1 Redevelopment

- 500 lineal metres of the limestone edging along the walking track has been installed (the committee decided to use limestone edging as it was cheaper than concrete)
- Twelve bollards have been installed at the car parking area near the Angling Club rooms to prohibit vehicles from driving on the new walking path
- A sign has been erected on the fence at the Angling Club rooms acknowledging Regional Development Victoria and the Yarriambiack Shire Council for their assistance with the project
- The BBQ shelter has been erected, the BBQ itself is sitting at K & J Baker's Murtoa Depot
- A tree has been removed to allow the construction of the new entrance to the swimming pool car park and levels have been 'taken' to allow for drainage from the parking area to the lake
- A Poly pipe has been installed which will draw water from the lake to supply the water for the watering system
- The rocks for the garden area have been delivered
- An underground conduit and cable has been 'run' between the Rotunda and the Swimming Pool. Electrician Graham Jackson has connected the cable at one end and is to connect the cable at the pool end shortly. Once this has been done the Power poles can be removed

Business & Economic Development

'The Dressmaker' Film

A glamorous woman returns to her small town in rural Australia. With her sewing machine and haute couture style, she transforms the women and exacts sweet revenge on those who did her wrong. Starring: Kate Winslet, Liam Hemsworth & Judy Davis

Shooting of the film to commence in the Yarriambiack Shire on 6 December 2014 (Yarriambiack Shire Council assisting Production crew with filming locations).

Commercial Building Improvement Program

- Yarriambiack Shire Council is currently undertaking a review of vacant commercial buildings located within the Shire as the second component of the Commercial Building Improvement Program. The Program was designed to gather and promote relevant information on vacant commercial buildings available for rent or sale
- Information on the program forwarded to Horsham Rural City Council. Information also provided to HUB and Business Horsham
- Presentations on this program and also the Murtoa Open Day held in May were made at Hamilton and Benalla's Rural Council Victoria's 'Innovate & Educate Spring Tour'.

SHARE Program (Sustainable Healthy Adaptable Resilient Engaged) – Prepared by Marianne Ferguson**Beulah Let Us Eat Cake**

The Local Project was initiated by the Bank of Melbourne and the Herald Sun and provides a funding opportunity for communities to implement much needed projects. There is \$100,000 to share among 10 projects and Beulah's project 'Let Us Eat Cake' was shortlisted in the Community Category. If successful, the project will include upgrading and registration of the not-for-profit kitchen to become a commercial class 2 to support community volunteers and micro-businesses. The initiative will enable members to prepare and cook their products and sell them at the community centre as fundraising projects.

Community Gardens

The Beulah site has been levelled and the garden group are continuing to prepare initial site designs. The Warracknabeal and Hopetoun Community Garden Groups are continuing to submit funding applications for the initial establishment of the gardens.

Murtoa Caravan Park Upgrade

Works to upgrade the Murtoa Caravan Park amenities are continuing. Renovations include polished concrete floors, tiling and new fitting and fixtures. The external building will also be painted and footpath replaced.

Wimmera Mallee Tourism

Wimmera Mallee Tourism is currently preparing for the upcoming 2015 Adelaide and Melbourne Caravan Shows. The committee are designing new exhibition furniture for the events. Wimmera Mallee Tourism Facebook Page currently has 2,076 'Likes'.

Yarriambiack Tourism

The Yarriambiack Tourism Facebook Page currently has 1,104 'Likes'. The next Yarriambiack Tourism meeting will be held in Minyip on Monday, 27 October 2014 at 8pm. The committee is currently preparing a 'Coffee Crawl' to encourage travellers to stop in different locations across the Shire.

Yaapeet Turkey Bottom Ponds

The Yaapeet Community Club's application to the Local Landscape Enhancement Grant was submitted and if successful, the project will include the lining of the Turkey Bottom Ponds.

The workshop looked at the types of fraud that occurred in Local Government and the measures required to minimise risk. The workshop highlighted Councils can lose up to 5% of their revenue to fraud annually. Council will need to consider if they wish to implement fraud awareness training to all staff as well as develop a policy and procedures to address fraud cases
- Attended a Local Government Risk & Safety Group Workshop in Ballarat presented by M & K Lawyers. The presentation looked closely at the legal role responsibility of managers in managing risk and safety within their departments

10.8 Community Projects Report – Prepared by Dennis Smith

Country Football and Netball Program 2013/2014

The Hopetoun Community Centre and Football/Umpires Facilities Upgrade project has been approved with a grant of \$73,000 (please refer to the Putting Locals First Program section below for further details).

Putting Locals First Program

The Hopetoun Community Centre and Football/Umpires Facilities Upgrade have been approved with a grant of \$225,000. The total capital expenditure for this project is \$348,000.

Financial details of the overall project are: grants - \$298,000, cash from the Hopetoun Recreation Reserve Committee of Management - \$50,000 and in-kind labour and equipment to the value of \$58,300, which gives a total project cost of \$406,300.

The signed Activity Schedules have been returned to Regional Development Victoria.

Community Facility Funding Program 2014/2015 – Minor Facilities

Berry's Sports Surfaces commenced the Murtoa Bowling Club synthetic green installation on Monday, 14 October 2014. Works are anticipated to take approximately six weeks to complete.

Community Facility Funding Program 2015/2016 – Minor Facilities

We are waiting on the outcome of the full application for the installation of lighting to the new synthetic bowling surface at the Beulah Bowling and Croquet Club, with a grant requested of \$12,300 for a total project cost of \$18,450.

Community Facility Funding Program 2015/2016 – Planning

Again, we are waiting on the outcome of the full application to develop a new Shire wide Sport & Recreation Strategy requesting a grant of \$30,000 for a total project cost of \$49,760.

Local Facilities for Local Clubs Program – 2014/2015

A full application has been developed and submitted, under this program, to construct a dual cricket practice wicket at the Minyip Recreation Reserve (for use by the Rupanyup Minyip Cricket Club), with a grant requested of \$22,000 for a total project cost of \$44,060.

Country Football and Netball Program 2014/2015

I am currently working with the Minyip Murtoa Football & Netball Club and the Minyip Recreation Reserve Committee of Management, to develop an application for submission under this round of the program to upgrade their sporting facilities at the Minyip Recreation Reserve. Works are to include re-sheeting of the netball court (to address Netball Victoria non-compliance issues), construction of netballer's showers and toilets and upgrading the football change-rooms showers and toilets.

Hopetoun Fishery

We are still waiting on a detailed plan from the Hopetoun Angling Club and GWMWater regarding fence re-location and proposed location of the cut in to the Lake prior to further investigations being undertaken. Once this information is received project costing can commence and possible funding sources investigated when the project cost has been determined.

Other Grant Application Assistance (these are not required to be submitted by Council)

I have assisted the Warracknabeal RSL by writing a grant application for funding under the Victorian Veterans Council – Anzac Centenary Community Grants Program for Anzac Day 2015 commemoration.

I'm assisting the Minyip Field & Game Club by writing an application for funding under the Shooting Sports Facility Program to purchase new automatic traps.

Other Work Undertaken

Assisting the relative community groups with the design, construction, and possible funding of community gardens at Hopetoun, Beulah and Warracknabeal.

Currently preparing layout plans for the Rupanyup Maternal and Child Health Centre redevelopment project to enable meaningful comparative quotations to be obtained.

Met with, and working with, Annabel Nowlan and Grant Finck regarding design and possible funding for the proposed Brim Streetscape project.

I'm also assisting the Brim Lions Club in developing, and sourcing possible funding, for a shade structure to be installed above the playground at Redda's Park.

11 REPORTS FOR DECISION

11.3 Councillor Code of Conduct – Prepared by Bernardine Schilling

The residents of the Yarriambiack Shire have a right to expect the business of Council to be conducted with efficiency, fairness and integrity.

This Code is applicable to Councillors. It does not override or affect the legislation which applies to Local Government but guides Councillors in what is accepted practice and behaviour.

The Local Government Act 1989 requires Councillors to act honestly, responsibly and with a reasonable degree of care and diligence when carrying out their duties.

The Councillors of the Yarriambiack Shire are committed to working together, along with Council's Chief Executive Officer and Council officers as a co-operative and constructive team to ensure the shared vision for the Shire becomes reality.

Recommendation

That the Councillor Code of Conduct be adopted.
