10.4 Director Infrastructure & Planning Report – Prepared by James Magee**National Broadband Network**

Council have received advice that the Rupanyup, Minyip and Murtoa towers are set to go live in the last quarter of 2014. Also, construction of the Hopetoun and Beulah towers is anticipated to commence mid 2015.

Mobile Coverage Program

Council has made a submission to the Commonwealth Government providing detail of the contribution it could make toward the installation of new mobile phone towers within Yarriambiack Shire to improve coverage. The Council has requested towers be installed in Yaapeet, Patchewollock and Lubeck. Council is willing to provide access to Council land if available and suitable and also civil works to the value of \$10,000 at each site.

Digital Television Retune

As a final step in the move to digital television, free to air television services are changing frequencies. Residents receiving their signal from the Warracknabeal, Arapiles or Ballarat transmitters will need to retune their sets on 17 September 2014, while the Nhill transmitter will be changing on 23 September. Residents receiving their signal from the Hopetoun transmitter completed this transition in April 2014.

10.5 Capital Works Program 2013/2014 – Prepared by Chris Lehmann

In July Council completed re-sheets carried over from 2013/2014 program (Jollys, Jim Jollys and Kellys Road).

Other works have mainly involved maintenance re grading, drainage, seal patching and issues picked up during inspections by Ken Pitt.

We are now currently planning the Capital Works Program for 2014/2015 along with a review of grading maps for the past 6 to 12 months.

10.6 Community Services Report – Prepared by Gavin Blinman

Kindergartens

I have been selected by the Municipality Association of Victoria to represent rural and remote Cluster Managers on a working party with the Department of Early Education and Childhood Development (DEECD) to review Cluster Management across the State.

The first meeting was held on 8 July 2014 in Melbourne and it provided an opportunity to voice Council's opinion on some of the key issues we have been lobbying the Department about.

We are currently waiting on meeting date notification from the Transport Reference Group, Ballarat to discuss transport reforms on the school bus guidelines.

During my meeting with the Regional Director of Education and Early Childhood Services, Matt Dunkley, I suggested that both a Councillor and community representative be on the reference group as well as myself **(Could I have a nomination from Council for this please?)**

Environmental Health / Local Laws – Prepared Tim Rose and Greg Wilson

A total of 12 premises inspections were completed during June. Minor non-compliance issues have been noted, however, proprietors are remaining vigilant in terms of cleanliness which is positive. As of 1 July 2014 a new Food Safety Program has been developed for food business owners in an attempt to reduce the regulatory burden on proprietors. Business owners interested in using this new program are encouraged to contact Council.

In accordance with the Food Act 1984 two statutory food samples were obtained from Class 1 (high risk) businesses. A Class 1 Premise is an organisation such as a Hospital or Aged Care Facility. The samples consisted of meals from the Meals on Wheels program as a regular scheduled meal for residents/patients.

The townships of Rupanyup and Minyip are now supplied with drinking water via the town reticulated supply. The water supply upgrades are part of a GWMWater project valued at \$12.5 million dollars. Both townships are being supplied with water from Murtoa's water treatment plant. Rupanyup receives its water from a 15km pipeline, while Minyip is supplied via a 24km pipeline.

Two notifiable diseases were referred to Council for investigation in June. Both illnesses were caused by Salmonella. All appropriate information has been collected and returned to the Department of Health.

Murtoa school immunisation session was conducted this month. Approximately 50 eligible high school students were vaccinated against Human Papillomavirus.

On 24 June 2014 Tim Rose (Environmental Health Officer) attended a free Question and Answer Forum held in Ballarat and hosted by MacPherson & Kelly Lawyers. The day allowed Tim to ask Lawyers an array of technical questions at no charge. The day was exceptionally successful and useful.

There have been several dog attacks on other animals (dogs and sheep) in the areas of Brim and Warracknabeal, most of the offending dogs and their owners have been caught and applicable action taken.

The recent attacks have prompted us to put Council's new Dog Attack Policy in place. This policy was adopted in June.

The offending dog in Brim that has attacked sheep still hasn't been caught and therefore remains an ongoing issue.

There has been an ongoing issue with a dog in Murtoa, this dog is in the process of being declared menacing by Council with fines issued.

There was another dog seized from Murtoa early last month that was causing issues and concern for residents, this issue has been resolved with the dog in question surrendered by the owner.

Greg Wilson (Ranger/Local Laws Officer) is still working with the RSPCA on horse welfare issues (hopefully coming to a close soon).

There has been several complaints about people letting their dogs defecate on footpaths and walking tracks, there will be a media campaign run in the coming weeks to highlight this issue.

Rubbish dumping has been on the increase around the Warracknabeal area, we are still working on trying to track down the offenders. They will be fined and charged for the clean up costs.

I am currently working on some unsightly land issues across the Shire, all property owners are being compliant and working with Council to rectify these matters.

Cats are still a huge issue across the Shire with focus on the towns of Murtoa, Minyip, Beulah, Hopetoun and Warracknabeal. This problem will only increase in the coming months as it is now breeding time for cats. The cost to Council each year for dealing with these cats is huge, Council now need to look at ways of reducing this (one option may be a policy to have all cats de-sexed prior to registration). This would help reduce the number of unwanted cats, but unfortunately does not help with the feral and semi owned cat population.

Another option that needs to be considered is an '*On Leash Law*' right across the Shire for dogs, as this would be a big help in stopping issues of dog attacks on other dogs as well being a threat to people.

The new Local Law document is back from the solicitors; it was read by all Council Departments prior to being tabled at Council Forum on 9 July 2014 for discussion.

Aged and Disability – Prepared by Lisa Dunkley

HACC

This month we held the Seniors Forum with open discussion on what they would like to see at Senior's Week this year.

Council provided a speaker at the Forum, the topic discussed was 'Healthy Ageing', which the seniors found very informative. The meeting concluded with a luncheon.

We also held our quarterly staff meeting this month with Katie Ramsdale from Rural Northwest Health talking about Dementia and its effects on family and friends; and In the afternoon we had Wayne John give a presentation on Healthy Bones and How to Prevent Osteoporosis.

We are closely working with other Wimmera Councils to ensure we are ready for the changes with HACC funding and looking at formulating a joint response and possibly tenders for future services if needed.

Youth

Interviews were recently conducted for the Youth Engagement Officer role; disappointingly we chose to re-advertise as we felt we needed applicants who could fulfil all the requirements of the role.

Council re-advertised the Youth Engagement Officer position across a wider catchment week commencing 7 July 2014.

Volunteer Transport and Meals on Wheels – Prepared by Michelle Hallam

Lately our Carers are doing a lot of our 'driving' trips for clientele with higher needs that our 'Volunteers' are not trained for – these trips have been at the request of Brokerage Agencies.

Volunteer Transport

- Still averaging around 10 to 12 drives per month
- Gained two volunteers from Hopetoun that will help cover the northern area
- We have found a new resource for residents within our Shire – the Ballarat Health Companion Project is a transport assistance program for people travelling to Ballarat for health appointments. Ballarat Community Health provides trained Health Companions to meet you at Ballarat Railway Station and accompany you to and from your health appointment (hospitals, specialists, medical, health and dental appointments) by bus or taxi. This service is FREE

Meals on Wheels

- Still going along okay, Warracknabeal patronage has decreased due to clients moving to permanent care or passing away

Centre Based Meals

- Still in the process of getting around to each facility for a meet and greet, handing out surveys and sampling the quality of food

Top 10 issues for latest period returned.			

Interesting statistics taken from our DEECD enhanced service data identified the top 10 issues for young mothers, with physical isolation being highlighted as a major concern.

The nurses and I will be looking at ways we can address this in our Shire as it links to the third highest issue 'Social Isolation'.

Council will look at IT and perhaps utilising Skype (or other alternative ways) to have the nurse's talk more regularly with isolated young mothers.

10.7 Infrastructure Services Report – Prepared by Bernie Naylor

Resale Centres

Works on the construction of the three “Resale Centres” located at Murtoa, Warracknabeal and Hopetoun have now been completed.

The final report and invoice has been sent in relation to the balance of the funding for the Resale Sheds.

These works have been funded through the Grampians Regional Waste Management Group’s infrastructure grants.

Bituminous Sealing Contract

As Council would be aware tenders were called from suitably qualified contractors for the design and delivery of works to complete the bituminous resealing programs for the five participating Councils, being Northern Grampians, Hindmarsh, Horsham Rural City, West Wimmera and Yarriambiack.

The contract will be for three years from the date of acceptance of the tender, with the option for two extensions of one year each.

Tenders will close on Wednesday, 19 June 2014 and were then to be evaluated by a committee consisting of representatives from each Council.

Three tenders were received and the first evaluation meeting was held on Thursday, 10 July 2014 and the second meeting was held on 18 July 2014.

A recommendation will be forwarded to the Wimmera Regional Procurement Committee.

Design Engineer

Council has appointed Mr Garrett Liston as Council’s new Design Engineer, Garrett is replacing John Boehm who recently retired.

We wish Garrett all the best in his new role with Council.

Contract C183/2013 – Water Truck

Council has just taken delivery of the new water truck for the Warracknabeal Works Crew.

There have been some delays in getting this truck which was ordered in December, but now is in operation for Council.

Hopetoun Works Depot

The staged works on the new Hopetoun Operations Depot are continuing, with the construction of the vehicle shed and now the works office, lunchroom and toilet/shower amenities being completed.

Now that the amenities’ building is completed, the works crew can now commence moving from the old site to the new depot.

Restructure of Regional Waste Management Groups

The final meeting of the Grampians Regional Waste Management Group, consisting of four Councils being Horsham Rural City, Ararat Rural City, Northern Grampians and ourselves will be held on Tuesday, 22 July 2014.

This group has operated very successfully for many years and has been very active in obtaining funding to close unlicensed landfills and replace them with transfer stations and many other improvements to the way in which Council manages its waste.

The Victorian Government have announced that our Waste Management Group will now be amalgamated with the Desert Fringe and Highlands Waste Management Groups to form the Grampians Central Waste Management Group. This Group will consist of the following 12 Councils:- Yarriambiack, Hindmarsh, West Wimmera, Horsham Rural City, Northern Grampians, Ararat, Pyrenees, Central Goldfields, Hepburn, Moorabool, Golden Plains and Ballarat.

The new Grampians Central Waste Management Group (consisting of 12 municipalities) will take effect from 1 August 2014.

11.4 Bank Guarantee Limit – Prepared by James Magee

Council is required by the Inspector of Mines to lodge Bank Guarantees for the satisfactory reinstatement of gravel pits.

Council's current limit is \$150,000 for Bank Guarantees.

Council's gravel pits have been reviewed by the department and an increase in some of the guarantees is required.

Additional gravel resources within our Shire are currently in the process of gaining approvals. These will each require a Bank Guarantee.

As such an increase to Council's Bank Guarantee threshold is required.

Recommendation

That Council request an increase to the Bank Guarantee limit to an upper threshold of a total of \$300,000.

Moved Cr R Kingston seconded Cr G Massey that Council request an increase to the Bank Guarantee limit to an upper threshold of a total of \$300,000.

Carried

11.7 Request to Rename Roses Road, Kellalac to Lynch Road – Prepared by Nathan McLean

Council has received correspondence from Lynette Bainbridge requesting recognition of her ancestors, who from 1873 – 1975 owned and farmed the land where this road is located. Lynette proposes to rename Roses Road to that of Lynch Road.

Recommendation

That Council reply to Lynette stating that under Principle 1(D) of the Geographic Names Guidelines this proposal would be unacceptable and therefore we are unable to consider her request.

Geographic Names Guidelines Principle 1(D) Ensuring names are not duplicated, states that place names must not be duplicated in close proximity and those which are identical or have similar spelling or pronunciation. Duplication is not allowed within the one locality or within 30 kilometres in rural or remote areas.

Lynch Lane is approximately 11kms South East of Roses Road. This will therefore interfere with Lynette's proposal of renaming Roses Road to Lynch Road as per the above guidelines.

Moved Cr L Woods seconded Cr T Grange that Council reply to Lynette stating that under Principle 1(D) of the Geographic Names Guidelines this proposal would be unacceptable and therefore we are unable to consider her request.

11.9 Declaring the Rate and Differential Rate 2014/2015 – Prepared by Chantelle Pitt

Amount Intended To Be Raised

- (A) That an amount of \$10,607,563 be declared as the amount which Council intends to raise by General Rates, Service Charges and Municipal Charge, which the amount is circulated as follows:

General Rate	\$9,327,490
Service Charge	\$ 957,557 (excluding GST)
Municipal Charge	\$ 322,516

General Rates

- (B) (1) A general rate be declared for the period commencing on the 1 July 2014 and concluding on the 30 June 2015.
- (2) It be further declared that subject to paragraph 5 of this part, the general rate be raised by the application of a uniform rate.
- (3) A percentage of .7084% be specified as the percentage of the uniform rate (which percentage may be alternatively expressed as .007084 cents in the \$)
- (4) It be confirmed that the general rate for all rateable land within the municipal district be determined by multiplying the Capital Improved Value of each rateable property by that percentage (so that the amount payable be .007084 cents in the \$ of the Capital Improved Value)
- (5) (a) It be recorded that Council considers that a differential rate will contribute to maintaining the existing rate burden between farm land and other land.
- (b) A differential rate be declared for that rateable land having the characteristics specified below, which characteristics will form the criteria for the differential rate so declared:

In accordance with:

- (i) The definition of Farm Land in Section 2 of the Valuation of Land Act 1960.
- (c) The differential rate be determined by multiplying the Capital Improved Value of the rateable land categorised in paragraph 5 (b) by the percentage indicated in the following table:

Category	%	cents in \$ of CIV
Farm Land	.5455	.005455

- (d) It be further recorded that the objectives of the differential rate are those objectives specified below:
- (i) To allocate a lower rate in the dollar for Farm Land on the basis of maintaining the existing rate burden between farm and other land.
- (6) In accordance with Section 4 (1) of the Cultural & Recreational Lands Act 1963, Council does not levy a rate on Cultural and Recreational Land within the Municipality.

Municipal Charge

- (C) (1) A Municipal Charge of \$63.60 per rateable assessment be declared for the period commencing 1 July 2014 and concluding on 30 June 2015.
- (2) A person may apply to a Council for an exemption from the payment of a municipal charge on rateable land in accordance with Section 159 (3) of the Local Government Act 1989.

Service Charge

- (D) (1) An annual service charge be declared for the period commencing on 1 July 2014 and concluding on the 30 June 2015.
- (2) The following annual service charges be declared for the collection and disposal of refuse in the Yarriambiack Shire:

Residential 80ltr service fee	\$121.06
Residential 120ltr service fee	\$168.04
Residential 240ltr service fee	\$327.06
Commercial 120ltr service fee	\$184.84 (inclusive of GST)
Commercial 240ltr service fee	\$359.77 (inclusive of GST)
Rural 80ltr service fee	\$133.17 (inclusive of GST)
Rural 120ltr service fee	\$184.84 (inclusive of GST)
Rural 240ltr service fee	\$359.77 (inclusive of GST)
Residential Kerbside Recycling	\$108.57
Commercial Kerbside Recycling	\$119.43 (inclusive of GST)
Rural Recycling	\$119.43 (inclusive of GST)

Rebates and Concessions

- (E) Subject to any further resolution of Council, the following rebates and concessions have been granted for the period commencing 1 July 2014 and concluding 30 June 2015:
- (i) Rate reduction for new housing developments, in accordance with the Yarriambiack Shire Council Rate Relief – New Houses Policy.
 - (ii) Council employee payroll deductions, for the purpose of paying rates on properties within the Yarriambiack Shire Council, in accordance with the Yarriambiack Shire Council Enterprise Bargaining Agreement No 7. Interest will be waived for employees using payroll deductions for payment of rates.

Incentives

- (F) No incentives are declared for the payment of general rates (and annual service charge described earlier in this resolution) before dates fixed or specified for their payment under Section 167 of the Local Government Act 1989.

Interest

- (G) (1) The rate of 11.5% per centum per annum be specified as the rate of interest for the purposes of Section 172 of the Local Government Act 1989.
- (2) The rate so set be effective until a new rate is fixed by the Attorney-General in accordance with Section 2 of the Penalty Interest Rates Act 1983.

Consequential

The Revenue Officer be authorised to levy and recover General Rates, Service Charges, Municipal Charge and Fire Services Property Levy in accordance with the Local Government Act 1989 and the Fire Services Property Levy Act 2012.

Pensioner Rate

- (H) That, in accordance with the provisions of the Local Government Act 1989 and Fire Services Property Levy Act 2012, and with the consent of the minister, the Council in relation to recipients eligible for waivers in 2014/2015 as having made continuing application for waiver in respect of the same rateable land which a waiver was granted in 2013/2014, unless the person advises the Council that a waiver is no longer sought.

Recommendation
