## CUSTOMER SATISFACTION SURVEY

Yarriambiack Shire Council would like to inform residents that from late January through to February/March, for the period of up to three weeks, your household may receive a call from an independent market research agency, National Field Services.

They have been commissioned to conduct a community satisfaction survey on behalf of the council. Similar surveys will be undertaken across Victorian councils in the coming months. The survey has been designed to assess the performance of Yarriambiack Shire across a range of measures to identify ways to provide improvement or more effective service delivery to residents.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with Yarriambiack Shire Council.

If you have any questions, please don't hesitate to contact the Yarriambiack Shire Council on 5398 0100.

The Beulah Cabins Project commenced on 18 December 2018 and is being project managed by Yarriambiack Shire Council. The project will deliver two modern one bedroom cabins that can accommodate up to four people in each.

The project will address a gap in accommodation options in Beulah and enables more visitors to stay in Beulah. The cabins can also be utilised for worker accommodation for farm hands during cropping and harvesting.

Works are funded by the Australian Government through the Drought Communities Programme which targets projects that stimulate local community spending, use local resources, businesses and suppliers, and/or provide a long-lasting benefit to communities and the agricultural industries on which they depend.

Additional funding was provided by Yarriambiack Shire Council and the Beulah Creek Reserve Committee.
