Monday 1st April, 12.30pm - 4.30pm

Held at Warracknabeal Neighbourhood House. Please email Lissy Johns to secure your spoke at lissy.johns@wimmerapcp.org.au

IN THE KNOW...

Disused Rupanyup Reservoirs

GWMWater currently have contractors decommissioning reservoirs at Rupanyup adjacent to the Dunmunkle Creek. During the 2011 flooding event, it was shown that the reservoirs restricted the flow of water northward creating flooding in the township. Modelling thereafter as part of the flood study confirmed that was the case so the water authority has agreed to undertake the works. The project is expected for completion next in April.

Vicroads Update

Vicroads are preparing to do another significant upgrade to the Henty Highway in coming months near Batchica. A tender has been awarded for 12.5km of Western Highway duplication between Buangor and Ararat and planning permission has been reinstated for that section. Work is due to commence in coming weeks.

Waste Management

Update regarding Recycling Wimmera Mallee Waste are now delivering recyclables back into SKM Geelong, this is the first time after 5 weeks. In Yarriambiack, no recyclables have gone to landfill which is a great credit to our contractor Wimmera Mallee Waste. The plan from here is to deliver around a load a day for the first week, then after that time double shift the truck and so deliver two loads per day until our stockpile is gone. This should take about four weeks.

Fire Danger Period

With the weather being slightly cooler please remember that the fire danger period is still in place. The Fire Danger Period for Yarriambiack Shire will remain in place until 1st May 2019 unless stated otherwise.

Animal Registrations

Animal Registration payments are due on the 10th April; data has been sent to the printers and is in the process of being posted out.

NEXT COUNCIL MEETING: 24TH APRIL 2019 AT 9.30AM
